NORBURN CREIGHTON HYATT
Grand Master, 1985-86

NORBURN CREIGHTON HYATT

Norburn Creighton Hyatt was born October 10, 1928 in Buncombe County at Candler, North Carolina. He is one of five children, four sons and one daughter, of the late Lane W. and Wilma Wright Hyatt. He has lived his entire life within a five mile radius of where he was born and grew up on his father's farm in the beautiful western North Carolina mountains. He attended the Buncombe County Public Schools and graduated from Candler High School in May, 1947. He began his working life in the field of sales at an early age, in fact, through the Distributive Education courses in High School, beginning in the Office Supply business which he pursued until 1972 when he became Territorial Manager covering the Northeastern United States for The Cherokees, located in Cherokee, North Carolina.

He is a former Rotarian and member of the Western North Carolina Sales Executive Club and was awarded the National Sales Executive Distinguished Salesman Award.

March 19, 1949 he married Martha Frances Foster. They have two daughters. Karen, is married to Dr. James D. Allman, a Major in the United States Air Force stationed at Eglen Air Force Base. They live in Shalimar, Florida with their three children Machel, Jay and Nicole. Norma is married to William Frank Kulseth, they have one son, William Frank, II. Norma is a Special Education Teacher in the South Carolina School System. They live at Isle of Palms, S. C. Both daughters are past Worthy Advisors of The Order of Rainbow For Girls.

The Hyatts attend Hominy Baptist Church. Norburn is a member of the Berean Bible Class and has taught in the Youth Department Sunday School and as Superintendent of the Young Adult Sunday School Department.

Norburn's Masonic career began in the summer of 1960 while fishing in beautiful Fontana Lake. It was on this occasion that he inquired of his friend and fishing companion, D. James O'Kelley, then Junior Warden of Mt. Hermon Lodge No. 118 about membership in the Masonic Fraternity. His interest in Masonic activities, both fraternal and charitable, have been an important part of his life since that time. Norburn was initiated in Mt. Hermon Lodge No. 118, October 10, 1960 on his 32nd birthday, passed October 24, 1960 and raised to the sublime degree of Master Mason November 21st of that year. Brother Rudolph M. Gibbs, Master, appointed him Chaplain in 1963 and he served each station in the line and was elected Master in 1969. He has served as Treasurer since 1972. On May 26, 1961 he became a 32nd degree member of the Valley of Asheville Ancient and Accepted Scottish Rite Bodies and is past presiding officer of all four bodies of the Rite. On October 20, 1969 he was invested with the Rank and Decoration of K.C.C.H. Court of Honor in Charlotte and coronetted an Inspector General Honorary of the 33°, October 18, 1973 in Washington, D. C.

He actively participates in the degree work and is presently Chairman of the Sovereign Grand Inspector General's Advisory Conference for the Valley of Asheville, A.A.S.R., and a member of the Board of Trustees of the North Carolina Scottish Rite Foundation. He was created a Noble of the Mystic Shrine of Oasis Temple, Charlotte, on October 21, 1961 and is on the Masonic Relations Committee. He is a member of the Asheville Shrine Club. In June, 1978, Norburn received the degrees of the York Rite Bodies in Asheville, N. C., and is a member of Saint John of Patmos, Red Cross of Constantine. He was presented an honorary membership in John A. Nichols Lodge, Asheville, April 8, 1971. He is a long-time member and officer of the Masonic Temple Company in Asheville. He is a member and Past Patron of Esther Chapter No. 12, Order of The Eastern Star.

In March of 1981, Most Worshipful Grand Master E. Stansil Aldridge appointed Norburn Grand Representative to the State of Louisiana near the

Grand Lodge of North Carolina. In 1976, Most Worshipful J. Earl Watson, then Grand Master, appointed Norburn to the Board of Directors of the Masonic and Eastern Star Home and in 1977 Grand Steward of the Grand Lodge of North Carolina. He has been advanced through the Grand Lodge Line until his election as Grand Master, April 17, 1985. By virtue of his being a Grand Lodge Officer, he has served on the various Boards and Committees of the Grand Lodge of N. C.

The Grand Master has a great love for the mountains of Western North Carolina and any spare time he has is spent on his little mountain farm where the chores range from wood cutting to caring for cattle. When time is available, he enjoys boating, hunting and fishing.

In compliance with Reg. 21-02 of THE CODE, I, therefore, call an Emergent Communication of the Grand Lodge for Monday, April 8, 1985, at 2:00 P.M., in Memorial Auditorium, Raleigh, North Carolina.

The said application contained the following purposes for this Emergent Communication:

1. To determine by what authority and reasons the Board of Directors took action to close the school on the campus of Oxford Orphanage in violation of the express action and wishes of the Grand Lodge.
2. To give all members the opportunity to discuss all matters relating to the operation of Oxford Orphanage and have any and all questions answered by the Board of Directors and others in authority.
3. To discuss the future of Oxford Orphanage. How is it to be operated and governed and the composition and selection of its Board of Directors.
4. To seek a definitive definition of the relationship of Oxford Orphanage to the Grand Lodge, to the end that there be some continuity and consistency in Oxford Orphanage's entire affairs assured to the Grand Lodge and all supporting Masonic Bodies.

These four items will be the only matters discussed at this Emergent Communication.

I would suggest that you familiarize yourselves with the Charter of Oxford Orphanage at Pages A-8 through A-11 of THE CODE; Regulation 33-04 of THE CODE; and Regulation 95-16 of THE CODE.

Enclosed you will find a Credentials Form. All lodges should complete the form and present it to the Credentials Committee in the Lobby of Memorial Auditorium. Other official delegates (GLO's, PGM's, DDGM's, DDGL's, Boards, Committees, Commissions) should present the blank Credentials Form to the Credentials Committee and identify themselves, so they can be properly registered.

The only expenses that will be paid for this Emergent Communication will be 15¢ a mile for travel for those members of the Grand Lodge who are entitled to expense.

I so very much regret whatever inconvenience this Emergent Communication may cause you; nevertheless, in order to have a good representation from across the jurisdiction, I hope you will find it within the length of your cabletow to be present.

Thank you so much for your concern and cooperation.

Fraternally,

I. BOYD HOPKINS, *Grand Master*

APPRECIATION

My brethren, serving as Grand Secretary is certainly an honor of which I am truly appreciative. I trust the work of my office meets the high standards that our Grand Lodge deserves. Your support this past year has meant so very much to me.

I know so many of you would join me in saying, that without exception, we have the finest staff in the Grand Lodge office that can be found anywhere. Personally, I could never thank them enough for their dedication and outstanding service to our Grand Lodge.

I know each of the staff would join with me in saying to the Masons of North Carolina:

"The friendship of those we serve is the foundation of our success."

REPORT OF THE AUDITOR

(Docket No. 3)

The following report of Brother David E. Scobie, Certified Public Accountant, Auditor, was presented, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

I have examined the balance sheet of The Grand Lodge of A. F. & A. M. of North Carolina as of December 31, 1984, and the related statements of activity and of changes in financial position for the year then ended. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the financial statements referred to above present fairly the financial position of The Grand Lodge of A. F. & A. M. of North Carolina as of December 31, 1984, and the results of its operations and changes in financial position for the year then ended, in conformity with generally accepted accounting principles consistently applied.

Respectfully submitted,

DAVID SCOBIE

**SUPERINTENDENT'S REPORT
MASONIC AND EASTERN STAR HOME
OF NORTH CAROLINA, INC.**

(Docket No. 8)

The following report of Brother Tommy L. Jones, Superintendent of the Masonic and Eastern Star Home, Inc., was presented and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

The Home has completed its 71st year of continuous operation. A valuable service benefiting our elderly Brothers and Sisters continues since that fateful day in November of 1913 when our doors were opened to admit the first three residents.

My report, which is the 70th annual report, will consist mainly of outlining the general overall condition of the Home and the services provided to our elderly. The Board of Directors in another report will address our finances and our future outlook.

My responsibilities can be categorized into two main areas. First, I must see that quality care is extended to all the residents and patients. The quality care includes medical attention, rest, nutritional balanced meals, and a wide variety of activities. My second main responsibility is to oversee the maintenance and upkeep of the buildings and grounds. In addition to these two main responsibilities is the concern for the overall welfare of the supervisors and employees attached to the many duties and responsibilities needed to achieve the two main areas of care. Because of the increased responsibilities the Board of Directors, at its November 10th regular meeting, appointed Mrs. Ella Payne as my Assistant. Mrs. Payne, who was the Director of Nursing, has been at the Home since 1970.

At the end of 1984, the Home was responsible for 189 residents. We had 94 in our retirement area, 70 in the Care Center or Medical Unit, and 25 in the independent apartments. The following two tables will illustrate our census and age distribution for the residents in our retirement section and patients in the Care Center.

Population Statistics 1984

	Men	Women	Total
Residents in Home (1-1-84)	20	139	159
Admissions	7	23	30
Deaths	8	17	25
Census (12-31-84)	19	145	164
Average age of 30 residents admitted—79			
Average age of 25 residents who passed away—88			

Age Distribution (12-31-1984)

	Men	Women	Total
Under 65	0	0	0
65-69	0	6	6
70-74	6	9	15
75-79	5	28	33

90+	1	22	23

The North Carolina Department of Human Resources, Division of Facility Services, renewed the Home's License to operate. The Home is surveyed and the license is renewed on a yearly basis. The survey team from the state is especially observant of our Care Center, Pharmacy, Dietary, and House-keeping Departments.

We are averaging about 70 patients in our Care Center each week. Some are permanent and some are temporary. Approximately 40 patients need total care. Thirty are confused, and thirteen have the characteristics and symptoms of Alzheimer's Disease. We are fortunate to have Mrs. Rebecca Burton as our Director of Nursing and Mrs. Norma Ranieri as the Assistant Director. Their sincerity and dedication is extremely beneficial to our patients. Our Care Center patients also receive the services of Brother and Doctor Norman Garrett, who comes to the Home three afternoons each week. Dr. Garrett is now into the fourteenth year of services rendered to our patients. Our Dental Clinic is in operation every other Friday. Dr. Kenneth Young is providing the dental services needed. In addition to these two doctors, Dr. Frank Houston is providing our dermatological (skin) services needed the last Wednesday of each month.

Our most difficult and sometimes trying responsibility is providing nutritious, enjoyable meals for all the residents three times each day. Preparing three meals 365 days of the year with special emphasis on holidays and other special occasions for between 165-190 residents is not an easy task to say the least. Meals are also provided for over 75 employees each day. I am thankful for Mrs. Marion Ross, Supervisor, and her assistant, Mrs. Lillian Jackson, for managing thirteen employees assigned to the kitchen and dining rooms. I feel I can honestly say that the meals provided for our residents are, on the whole, wholesome and appetizing each day. The Health Department continues to rate us high in cleanliness. Our grade averages between 97 and 98.

Our Housekeeping and Laundry operates seven and six days respectfully each week. Fifteen employees are assigned to the duties of keeping the Home clean, washing the soiled linens, and preparing rooms for new residents or preparing rooms for in-house transfers. Our laundry washes about 375 bed sheets each week, in addition to towels, mattress covers, dish cloths, and clothes of the residents. The washing averages out between 600 to 700 pounds each day.

Joe Quate became our Maintenance Supervisor after Bill Brady retired in September of 1984. Mr. Brady had given fifteen years of service to the Home.

Our Maintenance employees (4) maintain the buildings and grounds by repairing all breakdowns and cutting and trimming the grass and shrubs. During cold weather they repaint the building interiors as needed.

Latham Building, our oldest residential building (1949), was refurbished with central air and heating. It has been painted completely on the inside and the floors have been carpeted. I speak on behalf of the residents who live in Latham when I say how thankful we are to our Board for allowing us to complete this project which has been needed for the last several years.

The Chapel, completed in 1941, received a new face lift inside and out. A difficult building to paint on the outside, because of its height, was scraped and painted over a period of months. The Brothers of P. P. Turner Lodge No. 746 in Greensboro provided the money for pew coverings. To them we are grateful. I was able to have the floor re-carpeted with carpet which matches the pew coverings. Before carpeting, the floor in one corner had to be repaired because of termite damage sustained over a period of years. The interior of the Chapel still needs painting.

In summing up this report, I feel the overall outlook for the Home is good. The morale of both the residents and employees, on the whole, remains high. At the present time we have 32 Brothers and Sisters on our waiting list. I will make every effort to see that they are admitted as soon as possible. We not only need your financial support but your sympathetic understanding and prayers. Without the support of Grand Lodge and the local Blue Lodges, it would be nearly impossible to perform the tasks here at the Home. In return, I promise to you my continued dedication to the job at hand. With guidance from the Supreme Architect I feel, together, we can overcome each obstacle that occurs.

Finally, I want to thank the entire staff at the Home for the services they provide each day. David Ford, our Business Manager, deserves special praise because he keeps us on an even business keel. He has allowed us to give a facial uplifting to our grounds and buildings as well as purchasing equipment and supplies needed to keep all systems functioning.

We are ever grateful for the services of I. Boyd Hopkins, Grand Master. He has performed yeoman-like work for the Home over the past four years, from being on the Admissions Committee to Chairing the Board. To him we wish good health and future success and happiness. We are also thankful for the dedication of Dr. Cecil Barrier, Mr. G. Dick Pierce, and Mr. William W. Mims, Jr., P.G.M., who have completed their three year terms on the Board. The Home is a better place in which to live because of their dedication.

Respectfully submitted,

TOMMY L. JONES

REPORT OF THE BOARD OF DIRECTORS OF THE MASONIC AND EASTERN STAR HOME OF NORTH CAROLINA, INC.

(Docket No. 9)

The following report of the Board of Directors of the Masonic and Eastern Star Home of North Carolina, Inc., was presented and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

We, the members of the Board of Directors of the Masonic and Eastern Star Home submit our annual report to the Grand Lodge of North Carolina.

The Board held its regular quarterly meetings the second Saturday of February, May, August, and November. Attendance for both the Masons and

Eastern Stars was excellent. The Admissions Committee, made up of five Board Members, met on each Friday before the full Board met on Saturday to interview each applicant wanting to enter the Home.

At all these meetings of the Board of Directors we have had reports from the Superintendent on all phases of the life of the Home, including reports on all departments. Moreover, the Business Manager gave his report about the finances of the Home and the Board has transacted all necessary business.

The Board approved 37 applicants to be placed on the waiting list during 1984. In addition, one applicant was not approved because we felt he could not care for himself when he applied. This was a hard decision, but the Board felt obligated to carry out the rules of admission. We now have 32 on our waiting list.

We have kept in touch with the life of the Home and its affairs and we are glad to report to you that we feel 1984 was successful. Successful in the sense that we are caring for more residents, the overall morale of both the residents and workers is high, and the buildings and grounds are in good repair. For this success we wish to express our gratitude to the Grand Lodge for every assistance it has rendered and to congratulate the Grand Lodge for its humanitarian work, which stretches for over 70 years, as carried on at the Masonic and Eastern Star Home.

All appropriations from the Grand Lodge and The North Carolina Masonic Foundation have been paid in full. The contributions from the various subordinate Masonic Lodges have surpassed the contributions of recent years. In addition, the Grand Chapter of the Order of the Eastern Star, who is responsible for 40% of our operating expenses, has paid in full their obligations.

Below are tables showing a comparison of the Total Operating Income and Total Operating Expenses for the years of 1983 and 1984.

Our costs for 1984 were \$1.68 more for each resident each day than in 1983. Our total operating expense was more than our operating income for 1984. The Board encourages every Mason to contribute to the Home. We estimate that no more than 30% or 22,000 Masons out of 72,700 contribute any amount to the Home. The Masonic portion of the 1985 Budget, which is \$560,209, could be met if each Mason would contribute \$7.70.

We are proud to report that Latham Building, which is our oldest residential building, has been centrally air conditioned and heated, carpeted, and painted. The 18 elderly ladies residing in Latham are extremely happy with their surroundings.

All 16 of the independent living apartments are filled. We now have two ladies on the waiting list for two of the apartments.

At a called meeting on Saturday, November 10, 1984, the Board voted to have plans drawn for an addition to our Care Center. The new addition would give us approximately 25 additional beds, office space, meditation room, beauty shop, and greenhouse. At this time, Brother Charles E. Scott is working with Ray Troxell Associates, Inc. in overseeing the drawing of the plans.

All Home property is adequately insured and all motor vehicles owned by the Home carry the necessary insurance.

The Board voted at its November 1984 meeting to purchase a mini-bus (22 passengers) for the Home because the two old vans have become unsafe for continued use. The mini-bus arrived the last week in February and our residents are transported to many events in and around Greensboro.

There have been a number of changes in the staff of workers, but when we realize the conditions and the larger salaries offered by commercial enterprises, we feel the Home has been quite fortunate in retaining its employees. We feel this is a tribute to the workers and is an indication of the fact they are not working for money alone. All of our workers are covered by Workman's Compensation Insurance.

All employees of the Home who handle money are properly bonded, and as these words are being written, the annual audit of the Home is being made.

The population of the Home shows that 213 elderly Sisters and Brothers received its services for the year and there were 164 on roll at the end of the year.

In closing, the Board wants to thank the members of Grand Lodge, the Blue Lodges, and all Appendant Bodies for their continued support of the Home. We are also appreciative and thankful for the Superintendent who has directed the details of Home life during the year in the midst of increased demands of the times and the constant adjustments the Home must make. We are indebted to our corps of loyal workers, many who have worked beyond the call of duty.

We cannot anticipate just what is ahead of us and what difficulties we will face in the future, but we do know that for more than 70 years, Masonry in North Carolina has provided a shelter for over one thousand Sisters and Brothers when they needed us the most. This is a true expression of the spirit of Masonry and every Brother has the right to be proud of this accomplishment.

We urge the Grand Lodge and all our Brethren to continue their loyal devotion and support of the work of our Home at Greensboro.

Respectfully submitted,
BOARD OF DIRECTORS

REPORT OF THE COMMITTEE ON THE MASONIC AND EASTERN STAR HOME

(Docket No. 10)

The following report of the Committee on the Masonic and Eastern Star Home was read and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

On February 15, 1985, the Committee of The Masonic and Eastern Star Home met at the Home for the annual inspection and evaluation, as required of this committee. Members present were: Gerald Ringler, Harry Crump, Cornelius Morris, and W. Carroll Sanford.

Upon arrival at the Home, we met with Mrs. Ella Payne, assistant to Superintendent, Tommy Jones, and discussed with her those things that had been done, or is in the process of being done, since last year's evaluation, which included:

1. The complete renovation of the Latham Building, including the air conditioning and heating equipment. (Completed)
2. Scraping and painting of the outside of the Chapel. (Completed)
3. Re-roofing portions of the corridors connecting buildings. (Completed)
4. Install approximately 120 storm windows along corridors. (Completed)
5. Replace new tile in the main dining room area. (Completed)
6. Replace carpet in the rotunda area. (Completed)
7. To add a new steam table in the dining room area, and a new braising pan in the kitchen. (Completed)
8. A new Dental Clinic fully equipped. (Completed)
9. Purchase a Kubota Tractor for the grounds maintenance. (Done)
10. The removal of the old nursing home building, and the beautification of the grounds near the entrance of the home. (The old nursing home is not yet moved.)

Mrs. Payne asked Maintenance Superintendent, Joe Quate, to join us on a tour of the facility.

We toured all of the buildings, with the exception of the Condominium Apartments, (which we just rode to their area, but did not go in any of those) and found each to be very clean, well-maintained, and apparently under excellent supervision.

Referring to the ten items above, that was being done, or had been done since the last evaluation, it is to be noted that items 1 through 9 have been completed.

Item No. 2—The Chapel: It was reported that scraping, and painting of the exterior of the Chapel was in the process at the time of the last report. This has been completed and WHAT A MAGNIFICENT JOB!!! It is hard to single out any particular portion, or building of our great institution, as they all enhance the overall operation, and comfort of the residents. We feel however the newly renovated Chapel deserves a little special mentioning. The exterior including the red brick has been completely repainted. The interior of the Sanctuary too has been redecorated. New carpet has been installed just recently, in fact it was dedicated February 10, 1985. All of the pews have had the seats and backs upholstered, (a gift of P. P. Turner Lodge). The Chapel has to be the "showplace" of the Home. *It looks so very nice.* When one enters this beautiful Sanctuary, with its newly painted walls, new carpet, new seat coverings to match the carpet, and then focuses their attention to that beautiful painting behind the pulpit (depicting Jesus in the Garden of Gethsemane) one must feel the nearness of The Great Architect of The Universe. The Chapel is used daily, and all the residents are very proud of it.

Item 10, the removal of the old nursing home has not yet been done, but negotiations are continuing. The reason for the delay is because of the fact that this can be a very costly project and extra time is being taken to try to get the best possible price to get the job done. It is hoped that perhaps they'll find some reliable contractor that may be willing to remove the building, for the building itself. Thus far there have been no takers.

A new metal building has been constructed to house the yard tractor, and other grounds equipment to protect them from the adverse weather conditions.

The driveway at the entrance has been widened, and the overall appearance of the grounds, shrubbery, and the trees, all are in good order, and appear to be well maintained.

A new washer is on order, and should be installed in the near future in the laundry room.

The Dental Clinic is completely installed with new equipment, and laboratory. While we were visiting, the Dentist was on duty caring for some of the patients, and he remarked to us as to the quality of the Clinic, *stating it was one of the best.*

When we reached the Care Center we were met by Mrs. Burton, Director of Nursing, who carried us into various parts of the Center. In every part we again observed, and marveled, as to its cleanliness, and sanitary condition. It was apparent that the residents were receiving the best possible attention. The staff seem to be enjoying their work, and were performing their duties with skill, and in a manner that displayed "tender love and care." We spoke directly to many of the residents, they all indicated their every need was being taken care of, and they all appeared to be most content.

RECOMMENDATIONS

Items that we inquired about, or items that were brought to our attention, which this committee feels should be on the priority list of being corrected include:

1. The paging or call system in the Care Center. It was observed that the present system is apparently old and outdated, and of recent months has been giving considerable trouble. When one problem is corrected with it, another breaks down. This being in the Care Center where a good communication, or paging system is so vitally needed for the safety of the patients, and in receiving and relaying messages by the Doctors, Nurses, and Staff, this Committee feels that this should claim number one priority in getting replaced.
2. The Hot Water Supply in the Care Center, continues to be inadequate or in short supply. Patients in the Care Center require baths more often, plus the fact that they must be given tub baths, vs showers, therefore taking more water. It appears that the holding tank does not have adequate capacity to supply the demands. They are, and perhaps can, "make-do" until some long range plans are implemented. This Committee recommends this situation continue to be carefully monitored.
3. Roof: The roof over the Care Center suffered extensive damage during the recent cold weather. At one place a crack approximately 25 to 30 feet long had developed. The Maintenance Superintendent noted that the roof over this portion of the building is some 16 years old, and patching is of little use, stated that no doubt it would have to be replaced soon. We recommend this to be considered a very high priority item.
4. Kitchen and Dining Area: For the most part everything in this area is in very good condition. New tile in the dining area, everything spic and span, and a Grade "A" Sanitary Certificate, by the State, hangs

proudly on the wall. It was noted though in the kitchen, the mixer that is now being used is too small to be efficient. In mixing the various doughs, it requires two mixings, therefore creating a great loss of time. A larger mixer would be much more practical. We recommend the purchase of a larger mixer for the kitchen.

This Committee feels that the Maintenance Superintendent is doing a very excellent job in the care of the buildings, grounds, and equipment. We commend him for a job being well done.

We too commend Brother Tommy Jones, and his capable staff for the fine work being done at the Home. All the residents seem very happy, and in every area it is apparent that good planning, and supervision, also creates harmony.

Lastly, Brethren, to really appreciate the Masonic and Eastern Star Home, you owe it to yourself to go and see it. Visitors are welcome every day and you'll be glad you did.

On the wall of one of the resident's room was a writing, in embroidery, that read: "*Life has no reward nobler than Friendship.*" Perhaps we could paraphrase it a little differently—"*Masonry has no reward nobler than caring for their elder Brothers and Sisters.*"

SUPERINTENDENT'S REPORT OXFORD ORPHANAGE

(Docket No. 11)

Brother Donald R. Moul, Superintendent of Oxford Orphanage presented the following report which was read and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

On June 23, 1984, I received the appointment by the Board of Directors of Oxford Orphanage to become Superintendent as of August 1, 1984. This was certainly a most significant day for my family and me and it came to us on St. John's Day—a most important day in Masonry. It is with a deep sense of humility but steadfast optimism that has given me the fortitude to take on this most sacred trust.

St. John's Day was extremely well attended this year. The atmosphere was similar to an old time family picnic—with outstanding entertainment. Special appreciation goes to the Temples of Amran, Oasis, Sudan and Khedive for the excellent parade and music. Again, the "Sunshine Express" presented an excellent program of music as did our own Orphanage Choir. We encourage everyone to attend St. John's Day Celebration on June 22, 1985. A sincere debt of gratitude must go to Brother Lloyd Young for pulling together all of the various components so that we might enjoy this wonderful annual event.

The Department Heads must be congratulated for the efforts they have made in helping me to learn about the Orphanage. They are doing an outstanding job in the areas of their responsibility. With the advent of Department Head meetings the cross communication which is so necessary in an organization as large as the Orphanage has significantly improved the way we problem solve, plan for the future, and keep each other advised of needs in the various areas. Weekly staff meetings for cottage counselors continue; training for cottage counselors utilizing the nationally acclaimed Basic Training Course for Residential Child Care Workers', Group Child Care Consultants Service, Chapel Hill, has been implemented; State consultants presented a workshop on the child protective services and the law; and staff worked together to revise the Student-Faculty Handbook. All of this effort is

directed towards upgrading the knowledge of staff with regard to dealing with the needs of the children, and developing a stronger more consistent program of child care and communication.

Our students have enjoyed a most successful year in organized sports. Recreational activities which assist youngsters in learning how to share, how to be a member of a group, how to assume leadership, and how to be a team player at the same time learning self-control will usually always lead to good character development. Our soccer, basketball, baseball and other related intramural sports and physical activities are also designed to build strong bodies and help the student utilize his or her energy in a constructive manner. This program must be expanded in the future to include all children living at the Orphanage.

Much credit must be given to our staff and students working in the maintenance areas of our orphanage. Aside from teaching work habits and skills their efforts save considerably on the overall expense to the agency. The students are involved in painting, repairing, electrical work, woodworking, plumbing, and to some extent, heating and air conditioning problem solving. Bemis and Brown Cottages now have been converted to gas heat. The Chapel, Dunn, Brown, Masters, and Parham Cottages have been completely painted on the interior. More cottages will be completed prior to spring followed by exterior painting for the late spring and summer program. The maintenance of our buildings and grounds is a continuous year-round program. With the increasing age of our campus long-range planning for major repairs to the buildings and grounds will always be with us.

We are deeply indebted to Dr. Richard Taylor for his continued service to the benefit of the health of our children. His oversight of our infirmary and our nurse has helped us to maintain a very high standard of health care for the boys and girls. Our dental care program is second to none. We are fortunate to have the services extended for children needing orthodontic work. Students have received medical services locally, from Henderson, Durham (Duke University Hospital), and Raleigh, to name a few locations. Some of our children receive assistance through the Center for Communications Disorders (Henderson) and the Jerry Hedrick Mental Health Center. All such available services for the children are used for the sole purpose of improving their physical and mental health; to strengthen them for the day that they can become strong participants in their own futures.

Our strong commitment to moral values is demonstrated through the leadership of our campus chaplain, our Sunday School programs, and our Chapel services. Many of our staff take on the added responsibilities of teaching Bible classes so that throughout the campus there is a constant reminder to the students that religious commitments are a part of life here at the Orphanage. Our earlier chapel service also allows some of the students and staff to take part in community worship.

Our other vocational programs continue to be very strong. Our Print Shop is a marvel of production. The skills learned there by our students make them much in demand as they leave the orphanage. The work coming from the Print Shop is always top quality. Our farm and dairy programs continue to provide for some of our needs and excellent training for the students. Our clothing department works very hard to outfit the children with good quality serviceable clothing which is current in style and in good repair. The demand for shoes and clothing for children entering the orphanage as well as for those students who are simply growing out of clothing is constant.

It is with great care that we are handling the decision to enter the children into the Granville County School system. We have invited the principals of the various schools to visit with the children; the guidance personnel are reviewing the students' records; our children are visiting their future school.

sites for additional information about the programs; the transfer of the students will be completed by early summer with all proper enrollment activities completed. Through the provision of an expanded educational program it is strongly believed that our students will receive benefits which could not be provided through the John Nichols program. The financial condition caused by the continued operation of the John Nichols School could no longer be ignored. We look forward in a positive manner to this new educational opportunity for our children.

For 112 years Oxford Orphanage has attempted to provide the students with an environment that encouraged creative growth and development. The opportunity for each student to become a productive citizen is available here. The Masons and other individuals in North Carolina and elsewhere have rendered a most important and effective service to thousands of young men and women. We are sincerely grateful to the members of the Board of Directors for their commitment, guidance, and wisdom as directions are determined for the future of the Orphanage.

We, the staff and students of Oxford Orphanage wish to acknowledge our gratitude to all the Masons of North Carolina for caring and sharing during the year.

Respectfully submitted,
DONALD R. MOUL, *Superintendent*

REPORT OF THE BOARD OF DIRECTORS OF OXFORD ORPHANAGE, INC.

(Docket No. 12)

The following report of the Board of Directors of Oxford Orphanage, Incorporated, was presented and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

The Board of Directors of Oxford Orphanage submits its report to the Grand Lodge of North Carolina, which includes a detailed report of the Superintendent.

The Board of Directors held its regular meetings throughout the year and harmoniously administered all the affairs of the Orphanage. The auditors have reported on the financial phase of the institution and rendered detailed information of receipts, and the operation of various income and legacies received.

We completed the calendar year 1984 with 227 enrollment, of which 152 were boys and 75 were girls. Our population continues to increase slowly. We encourage the Craft to be alert to needy children from your area and make appropriate referrals through your local Oxford Orphanage Committee, or to our Director of Admissions.

The difficult decision with regard to the future education of the children was finally reached following considerable discussion, study, and examination of various options. In considering what would be in the best interests of the children the decision was made to enroll the children in Granville County Public Schools effective at the end of the academic year 1984-1985. Regional meetings were held for the purpose of conveying the reasoning behind this decision to the interested brethren.

St. John's Day 1984 was again a great success. We continue to be very grateful to the Shrine Temples for their participation and to Brother Lloyd Young for the many hours spent in planning and preparation for this day.

We were pleased to announce the appointment of Brother Donald R. Moul as Superintendent for the orphanage. Brother Moul comes to us with

many years of experience in the field of child care and we welcome him to his new large family.

We are pleased to note that there has been an increase in contributions from Masons. Masonic donations reached \$508,606.00, the Grand Lodge appropriation was \$22,500.00, and the Masonic Foundation contributed \$125,000.00 for the fiscal year 1984. Legacies were up substantially from the previous year as were donations from the general public. It is vital that a continued effort be maintained to reach those Masons who have not contributed financially to the Orphanage in order that we may continue our 112 year commitment to North Carolina children.

The appearance of the campus, as well as the internal appearances of the cottages and other buildings is very good. The staff is dedicated to the lives of our children and the overall happiness and health of the children is obvious.

It has been our pleasure to serve the Craft in our capacity as members of the Board of Directors of Oxford Orphanage.

Respectfully submitted,
BOARD OF DIRECTORS OF
THE OXFORD ORPHANAGE, INC.

REPORT OF THE COMMITTEE ON OXFORD ORPHANAGE

(Docket No. 13)

The following report of the Committee on Oxford Orphanage, Inc., was presented and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

On March 9, 1985 the Committee on Oxford Orphanage met on the Campus at Oxford for the annual inspection and evaluation. Members present were: Marshall Dilling, Jr., Cecil W. Henderson, Sr., and Jack T. Dossett.

Upon arrival we met with Donald Moul, Superintendent, and discussed improvements and repairs that had been done on the facilities since last year's inspection, after which Pat Cox, Chaplain, escorted us on a very thorough tour of the Campus facilities.

We arrived on a partly cloudy day and began our tour with the sun breaking through and providing a climate as warm and cheerful as the attitude and fellowship we enjoyed from the staff and children as we viewed the facilities.

Upon visiting the cottages where the children are housed, we found them to be good and sound structures. All other buildings were found to be likewise.

All cottages were neat and orderly. Since this was Saturday, most of the children were playing and watching television.

Overall maintenance with reference to loose and missing floor tiles, stairwell treads, lighting and repair or replacement of ceiling tile, especially sagging ceiling tile in Gray Cottage, should be more closely scrutinized. Also, a number of Exit lights were without illumination in cottages, as well as in several other buildings.

Masters and Shipman cottages are in need of paint in the halls. The gutters of most cottages need to be kept clean to eliminate overflow of water which creates added drainage problems. Also, Gray cottage has upstairs showers leaking to first floor. This cottage appears to have little heat up and downstairs in the west end of the building. The laundry room in Ligon cottage needs venting of dryers and a loose stair rail needs bracing.

The gymnasium is an essential building for the campus and is generally maintained well. It is probably one of the most popular places on campus for its sports and recreational uses. Currently it is in need of a roof, which was

damaged in the recent high winds. There also is a need for wash basins and faucet washers to eliminate leaks. The rail around the steps is broken and could be dangerous if not repaired. The children do a good job of keeping this building in good order.

The print shop and other vocational shops in this building, together with maintenance shops, are well organized and appear to be well supervised and effectively utilized for training and support of the facility.

The Administrative Building which houses the offices, infirmary, visiting area, conference room and adjoins the building housing the kitchen, dining and storage rooms downstairs are all in good order. There are, however, a number of maintenance problems such as refrigeration pipe leaks, leaks in large cooking pots, missing and broken tiles in the trash room, and missing stairway treads to storage and sewing rooms in the basement of the dining hall building.

The kitchen equipment, refrigerators, walk-in boxes, the boiler, heating and air condition equipment all appear to be in good working order.

The storage area under the dining hall that houses food storage, clothing storage, food preparation, as well as the clothes sorting and sewing rooms, are in good order and well managed.

The overhead water storage tank is still an unnecessary item which badly needs to be removed. If any brother should be able to remove same, it would be greatly appreciated.

The campus with its great oaks is lovely and will be bursting forth soon. So we again need some additional work on drainage in regard to some areas, especially the southwest corner as well as clearing drains and basins to carry off the excess water. There are some walks that need to be replaced, as they are hazardous.

The swimming pool has been resurfaced and only needs general cleaning to be ready for the coming summer season.

The dairy is doing well, and we are proud to have one of the finest herds of milk cows in the state. The farm is also an important part of the campus as it provides training as well as an enormous amount of food for the campus.

The John Nichols School building, a vital part of this campus in the past, is solid and safe; however, it needs some painting and plastering from wear and moisture. It also needs some switch plates and some pipe coverings and other normal maintenance repairs.

We know that a great number of problems are related to normal maintenance, and we recommend that more attention be given to minor repairs to keep them from becoming major problems.

We recommend that all fire detection equipment be regularly inspected in accordance with existing fire codes and properly tagged. We also recommend the participation in fire drills in accordance with State Regulations.

We strongly recommend that the Grand Lodge Committee on Oxford Orphanage and the Oxford Orphanage Board of Directors should each inspect the entire facility at least twice a year.

Brethren, Oxford Orphanage is probably the finest Institution of its kind in North America, one which we are all proud of and we think every brother should become more aware of its existence and the operation thereof. We then believe you will lend your complete support thereto.

We wish to express our sincere appreciation to Pat Cox for his time, patience, and assistance during this thorough inspection, together with every staff member who assisted us on our rounds.

Respectfully submitted,
JACK T. DOSSETT, *Chairman*

**REPORT OF THE REPRESENTATIVE OF
THE MASONIC SERVICE ASSOCIATION**

(Docket No. 16)

The following report was read and entered on the record. The recommendation that the Grand Lodge continue its membership in MSA was adopted, and the matter of finance was referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

The Sixty-Seventh annual meeting of The Masonic Service Association was held at the Landmark Resort Hotel, Tuesday, February 19, 1985. Most Worshipful Brother Robert A. Hockstad, presiding. The meeting was called to order by Brother Hockstad.

The order of business consisted of the election of officers, education and publications, hospital visitation, necrology, finance, foreign relief, membership, and U.S.A. relief. The most important session was the hospital visitation program.

R.:W.:Brother Stewart M. L. Pollard was re-elected Executive Secretary-Treasurer, and M.:W.:Thomas R. Dougherty was reappointed Director of Hospital Visitation.

Approximately one hundred and fifty field agents and thousands of volunteers enlisted from all Masonic bodies are the workers who are creating a benevolent image of "Masonry in Action" in Veterans Administration Hospitals.

Our visitors help arrange and assist at Sunday morning chapel as helpers or as pushers to bring wheelchair patients to the Chapel for worship. Masonic Field Agents and volunteers are busy in many of these areas, as well as in the daily visiting at the bedside of all the patients. They show that we do indeed care and will always be there to help aid and assist.

Frequent stories about the activities of Masonic Field Agents in Grand Lodge bulletins and publications about the program and its needs at area or district meetings, letters from the Grand Master to the Blue Lodges asking for their wholehearted support in fund raising activities for this program are vital.

Quarterly, the popular "Your Hospital Visitors" is published and distributed to every constituent lodge. It is a report about the Hospital Visitation Program, its activities, its volunteers and the support we receive from the Masonic family.

Our special thanks and appreciation is to M.:W.:Brother Thomas R. Dougherty, Past Grand Master, and our most able R.:W.:Brother Stewart M. L. Pollard for their untiring efforts. They are kindly men; they are generous men; they are sympathetic men; they are dedicated Masons, who know the joy of ministering to a distressed brother. Every volunteer truly receives Master's wages in abundance. We are grateful to them. We are proud of every one of them.

I, therefore, recommend that we continue our membership in this association, and I also recommend that we continue our usual appropriation to this association.

Respectfully submitted,

J. EARL WATSON, P.G.M., *Representative*

REPORT OF THE REPRESENTATIVE TO THE GEORGE WASHINGTON MASONIC NATIONAL MEMORIAL ASSOCIATION

(Docket No. 17)

The following report was read and entered on the record. The recommendation that the Grand Lodge continue its membership was adopted, and the matter of finances referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

The George Washington Masonic National Memorial Association met the 18th day of February in the Landmark Hotel, Myrtle Beach, South Carolina, for the 75th Annual Conference of 1985, with M.:W.:Brother Charles R. Glassmire, President, presiding.

Brother Glassmire gave a very detailed explanation of all improvements and maintenance on the Memorial in 1984-85. Also, repairs and projects planned for 1985-86 were reported.

The entire Masonic Fraternity will feel the effect of the retirement of M.:W.:Brother Marvin E. Fowler, Secretary-Treasurer of the Association. Brother Fowler gave over twenty-one years of unselfish service to this great organization. For his faithful service, Brother Fowler and his wife were presented a gift by M.:W.:Brother Stanley F. Maxwell, Past President and M.:W.:Brother Charles R. Glassmire. The entire association gave Brother Fowler a standing ovation.

M.:W.:Brother Glassmire presented W.:Brother Edward J. Gondella, who was elected our new Secretary-Treasurer to replace Brother Fowler.

Although many improvements have been made, your support and donations are greatly needed to maintain the building and grounds surrounding this great monument dedicated to the Father of our Country, M.:W.:George Washington. Please help us to make this a place to be proud of.

Many of our Masonic brethren have never visited this great memorial, yet an open invitation is extended to all. It is a challenge for each Mason to become a Life Member of the Association upon payment of only \$250.00. Please consider this challenge; join us now and become a Life Member of this great memorial.

It is the hope and desire of every officer and member of the Association that every Grand Lodge will add \$5.00 to the initiation fee for the support of this memorial.

To contact the Secretary-Treasurer, please write to Edward J. Gondella, 1220 Falster Road, Alexandria, Virginia 22308.

Our next conference will be held in Washington, D. C. in February, 1986. Please make plans to visit your memorial.

I recommend that we continue our membership in the Association and I also recommend that we continue our usual appropriation to the Association.

Respectfully submitted,

J. EARL WATSON, P.G.M., *Representative*

To the Most Worshipful Grand Lodge of North Carolina:

The Board of the North Carolina Masonic Foundation, Inc., respectfully presents the following balance sheet and statement of revenue, expense and changes in fund balances in fund balances for which the Foundation is custodian.

At a regular meeting of the Board the following officers were elected: Brother Sam A. Hennis, Jr., President; Brother Charles E. Scott, Vice-President; and Brother W. David Ford, Secretary and Treasurer.

Monthly meetings are held by the Board and the investment portfolio and objectives of the Foundation are reviewed in detail. The investment policy of the Board continues to be safety of principal first and income production second. With this conservative approach the Board was still able to divide \$250,000.00 between the Orphanage and Home during 1984.

We are grateful to all who have been a part of the success of the Foundation and would like to solicit from those who have not contributed to please do so as we feel that your Masonic Foundation will ultimately be the salvation for our two homes.

Respectfully submitted,

REPORT OF THE GRAND HISTORIAN

(Docket No. 22)

The following report of the Grand Historian was received and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

In the 1938 *Proceedings of The Grand Lodge* J. Edward Allen of Warrenton, at that time Deputy Grand Master of the Grand Lodge of North Carolina, reported that he had been requested by the Grand Master to organize the Masonic library and historical resources of North Carolina for the purpose of making certain material available to North Carolina Masons. He set about assembling biographical sketches of our earliest Grand Masters, some of which were already available but most of which had to be researched and written. Brother Allen prepared some of the sketches and others were prepared by various distinguished Masons who had been commissioned to assist him. For inclusion in the 1938 *Proceedings* he assembled sketches of the Grand Masters serving from 1787, the birth year of our Grand Lodge, to 1840.

Allen lamented the fact that adequate records had not been maintained with respect to some of the early Grand Masters, noting that each passing decade made it increasingly difficult to learn and to appraise the facts. Nevertheless, he and the other writers unearthed enough material to produce a most interesting series of sketches.

In the 1939 *Proceedings*, Allen, then Grand Master, brought the series of sketches forward to the year 1886. Then, in 1940, they were extended to the year 1903. On numerous occasions since 1940 suggestion has been made that the series be brought up to date and thereafter maintained on a current basis, but no formal action has been taken to do this. Of course, the *Proceedings* has for many years been carrying a biographical sketch of the current Grand Master on its beginning pages and any additional sketches in these *Proceedings* would have been quite unnecessary. But it would be impractical—impossible, in fact—to assemble copies of all the *Proceedings* for the past eighty-odd years in sufficient quantities to supply all the brethren that might be interested, so the real need in this instance is a small book or booklet which would contain all the biographical sketches up to the date of publication. Additional books or booklets could then be published at intervals of ten years or so to keep the series current.

To read these sketches of our early Grand Masters is to read a partial history of the early doings of our State and Nation, for our early Grand Masters were truly representative of the leaders of their times—almost always in the forefront of history-making events. Most Masons of today probably do not know that our first three Grand Masters, Samuel Johnston, Richard Caswell and William R. Davies, were also Governors of North Carolina, as were some of the Grand Masters that followed them; and few Masons, probably, are aware that Davies is generally credited with being the founder of the University of North Carolina. North Carolina Grand Masters have served in all levels of government, some have rendered distinguished service in the armed forces during the American Revolution and in other conflicts, and many have distinguished themselves in various professions and in all walks of life. The history of their lives and deeds makes for good and interesting reading.

So a compilation of these biographical sketches would certainly be welcomed by a significant percentage of our membership, and it is a history worth recording. And there are many other portions of various *Proceedings* which are of great interest to certain Masons, and here again a collection of all of them into one volume would be useful and valuable for those Masons. Few Masons could afford the high cost of purchasing and shelving the many, many

copies of the *Proceedings* necessary to provide all the desired history, even if it were possible to acquire all these copies of the *Proceedings*. Most Masons, however, could afford the purchase of a single volume which contained only the specific history in which they were interested.

The Grand Lodge is not likely to look favorably upon any proposal that it underwrite the cost of publishing various digests, particularly so when these would likely be purchased by only a relatively small percentage of its members. What is needed, then, are limited editions, totally subscribed before publication is even commenced, so that no cost to the Grand Lodge would occur at any point. There is no reason why a small group of Masons, having obtained permission from the Grand Lodge, could not organize themselves into a committee to arrange the publication of these books or booklets and to receive prepaid orders for them. Any excess funds remaining after all orders were filled could be turned over to the North Carolina Masonic Foundation. In this manner a definite need could be filled without any burden upon the Grand Lodge.

Respectfully submitted,

REYNOLD S. DAVENPORT, *Grand Historian*

REPORT OF THE BOARD OF PUBLICATION OF THE NORTH CAROLINA MASON

(Docket No. 24)

The following report of the Board of Publication of The North Carolina Mason was received, entered on the record, and adopted:

The members of the Board of Publication of *The North Carolina Mason* believe and are convinced of the following:

1. that THE NORTH CAROLINA MASON is a good medium of Masonic education, interesting news from the Craft, and a potential means of keeping the Brethren well-informed of past, present, and future activities;

2. that four (4) issues per year of THE NORTH CAROLINA MASON make for grossly inadequate communication;

3. that twelve (12) issues cannot be financed with the present available Grand Lodge funds;

4. that the Brethren have three (3) choices:

(1) raise the per capita tax a minimum of one dollar and fifty cents (\$1.50) to help cover the cost of the publication for twelve (12) issues,

(2) publish twelve (12) issues of THE NORTH CAROLINA MASON by subscription at two dollars (\$2.00) per subscription, or

(3) cease publication.

Therefore, the Board of Publication recommends the following:

1. That a copy of this report, including the accompanying facts for discussion, be mailed to each Masonic lodge in this jurisdiction with a prepared form and a self-addressed envelope. Following discussion of the three (3) choices by members of the lodge, they shall mark the choice selected and return no later than September 1, 1985, to the Board of Publication for their study and recommendation to Grand Lodge in 1986.

Facts to be considered in lodge discussion:

1. An amendment to THE CODE to raise per capita tax is read at the 1985 Annual Communication, voted on in 1986, would become effective January 1, 1987; and the first receipt of per capita tax would be after January 1, 1988. In the meantime, what happens to THE NORTH CAROLINA MASON?

2. Cost per issue: currently about \$7,000, with no part-time or full-time editor. Estimated cost of twelve (12) issues of \$100,000.00.

3. In November, 1979, a survey was conducted to determine the interest of the Brethren in THE NORTH CAROLINA MASON. Out of 68,000 Masons, 8,835 responded, with approximately 8,000 wanting to continue publication of the paper.

4. An amendment to THE CODE to raise the per capita tax one dollar and fifty cents (\$1.50), making a total amount of \$6.00 per capita, has been read at the 1985 Annual Communication. In the event the Board of Publication, after studying the response from the lodges, decides to recommend to cease publication, or publish on a subscription basis, the per capita tax amendment presented this year shall be withdrawn.

5. At least a part-time editor is needed. Allen Colenda, of the Orphanage printing department, has been interim editor since 1982, when Reynold Davenport resigned.

REPORT OF THE COMMITTEE ON DEMOLAY

(Docket No. 25)

The following report of the Committee on DeMolay was received and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

The Order of DeMolay in North Carolina was very active this past year and the N. C. State Conclave held in Greensboro in July was one of the best and at an extremely low cost to the members and advisors without sacrifice of events or activities thanks to the financial support of Masons and Masonic Bodies throughout the State and especially in Greensboro.

In membership, DeMolay in North Carolina is experiencing a serious decline the past several years in both number of chapters and DeMolays. In 1973 there were 47 chapters with 2600 members, in 1984 there are only 22 chapters with a total of 1200 members. Also, in 1984 North Carolina had only 117 new members compared to over 400 each year in the early and mid 70's.

With your help and support, the Committee, concerned Advisors and Senior DeMolays would like to stop this trend and travel in the other direction. We are developing District DeMolay Education and Support Committees to aid Blue Lodges and other Masonic Bodies in reorganizing their DeMolay Chapters or to organize a new Chapter in their area. More information about these committees will be printed in the North Carolina Mason.

Let's show the youth in our State that we care. If we do our part, many of these DeMolays will ask to become a part of our Fraternity when they become 21 years old. This will also aid the growth of Masonry.

WHAT ARE YOU WILLING TO DO TO HELP MASONRY AND DEMOLAY?

Most Worshipful Grand Master, Illustrious visitors, members of the Grand Lodge and my Brothers all. Having served the Grand Lodge of North Carolina for the past 40 years, I come before you today to inform you of an undertaking that we hope will help the North Carolina Masonic Foundation. Our beloved Brother, Senator Sam J. Ervin, Jr., being desirous to make a contribution to the Masonic Foundation, has made arrangements for the Grand Lodge to publish a book pertaining to his Masonic Life. Anyone desiring to receive a copy of this, when published, by making a contribution of \$20 or more will receive this Masonic biography of our beloved Brother. It will be published in the next month or so and will be available through our bicentennial celebration.

ADDRESS OF THE GRAND ORATOR

(Docket No. 26)

The Grand Master presented W. Brother Frederick G. Speidel, Grand Orator of the Grand Lodge of North Carolina, who delivered the following oration:

To the Most Worshipful Grand Lodge of North Carolina:

PRESERVING MASONIC LIGHT

In recent years I have heard and read a number of times that if the losses of membership in Freemasonry continue at the present rate that Masonry will cease to exist by the year 2000. Anyone making that statement is exhibiting a lack of awareness of the past history of Freemasonry, and also that is not the type of remark that is designed to inspire the present grass-roots membership toward deeds of more exalted usefulness.

If all Grand Lodges lose thousands of members each year, it would indicate that Masonry could disappear eventually. But history clearly shows us that it will *not* cease to exist.

In the early 1830's, in the United States, we had the so-called Morgan incident, where Masons were credited with the disappearance of William Morgan of Batavia, N. Y. An anti-Masonic movement spread throughout the country and was the cause for the formation of an anti-Masonic political party which exhibited some strength in the next Presidential election. During that period it was extremely unpopular to be a Mason. This movement was primarily overcome by the reputation and performance of ex-President Andrew Jackson, a M.W. Past Grand Master of Tennessee and a Most Excellent Past Grand High Priest of their Grand Chapter of Royal Arch Masons, who steadfastly upheld the honorable, ethical, virtuous, and moral nature of the fraternity. During the period of unrest a great number of Masonic organizations went underground and many of them never recovered. It took several decades for the furor to subside, and by that time hundreds of Blue Lodges had ceased to exist in the United States.

However, when reason had been restored, the Grand Lodge and the affiliated Masonic organizations continued to expand their membership and had become a strong, viable organization by the end of the 19th century.

There is no better example of the inherent strengths that exist in Freemasonry than the experience of the German Masons under the Nazi regime in the 1930's and 40's. Freemasonry was proscribed by the Nazi government. The lodge buildings were expropriated by the government. Lodge funds and equipment were confiscated and, similar to the previous American example, the membership went underground. In 1934, prior to the proscription, one of the German Grand Lodges elected to wear a little Forget-Me-Not pin as the mark of a Mason in lieu of the square and compasses. This fact was not advertised but kept securely within the fraternity. Throughout the entire Nazi era, this little blue flower in a lapel marked a brother Mason. In the Concentration Camps and in the cities, this little pin proclaimed to the initiated that there still existed those who refused to allow the Light of Freemasonry to be extinguished. At no time during that period did this practice come to the attention of the Gestapo or to the secret informers. In most of the lodges in Germany today, the Forget-Me-Not is presented to new Master Masons, at which time its history is explained.

At this time, Freemasonry in the United States has no organized resistance. There is no valid reason why we should have losses in membership other than the changing values of our time, and/or a lack of dedication, or lack of knowledge, or enthusiasm within our membership. Thousands of members in North Carolina really feel the tenets of Freemasonry in their hearts.

Thousands more would be in this condition if we all made an effort to contact them and assist them in gaining more knowledge.

We have mentioned the changing values of our time. Must Freemasonry make some changes to compensate, to compete, to survive.

The documented history of mankind encompasses a period of approximately 5000 years. Up until 150 years ago no man traveled faster than 35 mph (by horseback). In the past 150 years, radical changes have occurred with a frequency that has been unbelievable. For all practical purposes we now have instant communication between most of the individuals on Earth. Man has traveled at speeds of 5 times that of sound within our atmosphere and at speeds of approximately 29,000 mph in outer space. Can Freemasonry compete by doing everything the way we did it 100 years ago. I do not believe so. If the complete span of the history of mankind were recorded on a clock face comprising one hour, only the past 3 minutes represents the modern era. We have to accelerate or smarten-up our operation. We must simplify our methods. We do not have to take short cuts. We only need to become more efficient. We have to work toward the "bottom line" more efficiently. We have to cut out the fat around the middle. We have to keep our attention on the "top line" to keep our program pure and undefiled.

The main areas of our operation that we must develop are in improving the leadership capabilities of our members and greatly improving the level of education of every one of our members.

Many Masonic leaders in the United States resist change, but history clearly shows us that Freemasonry has made many changes over the centuries as social, technological, and economic conditions change.

Modern Freemasonry, as we know it, begins with the formal organization of the first Grand Lodge of England in 1717. In 1797, Bristol Lodge in Massachusetts established a number of Regulations for the government of the lodge. Among them were these, "No liquor shall be brought into the lodge except by order of the Master." And this one, "Fighting is prohibited during the opening, or within thirty minutes of the closing of the lodge." These regulations tell us more by what they omit than what they state. We would not have such written regulations in our lodges today because times have changed and our general regulations, tenets, and stated principles obviate the need for them. Times have changed!

As we plan to modernize our programs, we must keep our Masonic Principles and Tenets in mind, not to mention the need to practice them! Brotherly Love, Relief, and Truth. Practice them. The four cardinal virtues, Temperance, Fortitude, Prudence, and Justice, practice them! The Ancient Charges will limit our decisions so that we do not stray too far from the historic direction that Freemasonry has always followed. These will guide our thinking and keep us within due bounds as we make our plans for the future.

Our planners must have a strong Masonic Education as they make the decisions necessary to guide Freemasonry into the 21st Century. They have to be guided by the aforementioned principles, and a firm grasp of Masonic History, so that we do not make the same mistakes twice.

Who are our planners in Freemasonry? Aside from every officer, every member who has a vote in his Lodge, and/or Grand Lodge is a planner. This was illustrated very clearly during the Emergent Communication of our Grand Lodge last week. One of our Boards decided upon a course of action. Some of our leaders approved of their decision, while others opposed. The question came before the voting delegates of the Grand Lodge, potentially representing all of the Blue Lodges in the state. The delegates voted on the course of action that will be taken. This clearly shows that each of the delegates has influence on the future direction of the Grand Lodge and he obviously has to be well grounded in the application of Masonic Principles in making his

decisions, along with a knowledge of the history of Freemasonry in past ages. To be well grounded in Civil Law is not sufficient. To be well grounded in World History is not sufficient. Each of our members requires a Masonic Education for the future health of the order, not to mention the future survival of the order.

While our members vote in their Lodge and in Grand Lodge, they generally are not aware of the fact that they are taking upon themselves a part of the leadership of the organization. Their votes affect the future of the order. They have a responsibility to know what they are doing and have strong Masonic reasons for voting as they do.

Leaders are made, not born. Leadership can be taught. Leadership can be learned. The need to develop the educational level and the leadership potential within our membership is not a one year problem, but a continuing problem and should be built into our permanent programs. Our Grand Lodge has approached Masonic Education from different directions and in different ways in recent years. Probably because of the lack of a well-established Educational Program, our present Grand Master devised a system whereby a good portion of our membership received Masonic Education this past year. He did most of the work on devising it himself and he effected the implementation of it himself. I believe it has been thoroughly accepted, appreciated, and enjoyed by the membership. Our Grand Master demonstrated great leadership in implementing this plan.

What are we going to do for leadership in our Blue Lodges? I mentioned previously that each of our voting delegates takes on an important role when he casts his ballot. None of these voting delegates, or our present leadership of any sort is going to live forever.

One of the responsibilities of a leader is to train those who will come after him. Aside from the established leaders, every Master Mason who is interested in the survival and expansion of Freemasonry should be taking a hand in training all of the new members of his lodge. He should be contacting the members who do not attend Lodge, to encourage their attendance and help them in every way possible to increase their Masonic knowledge. Many of them can be brought to a state of better participation. Every Master Mason who hears or reads this paper has a responsibility in that direction. A number of years ago one of our local members came to me and said, "There is nothing you can do to make a leader out of me, so you might as well stop trying." I smiled and said, "All right." We put him in charge of our mailing list and it does everything he tells it to do, and, he is good at it. Our late Grand Master Nelson Banks continually pushed for better communication. You cannot communicate with your members without a good mailing list. Freemasonry has many programs that are not being implemented by all Lodges. There are probably no lodges that are doing everything that needs to be done. There is a job for every one of our members but it takes a certain amount of leadership to put the round peg in the round hole. All it takes is an initial desire on the part of each individual member to assist in strengthening Freemasonry. There is a lot everyone can do and having more leadership will insure that more gets done.

I believe a striking example of the results of Modern Masonic Education has been clearly illustrated by the following example: Like the Blue Lodges, the appendant organizations have begun to show losses in membership. At the Southeastern York Rite Conference in Florida this past January, the Grand Master of the Grand Encampment of Knights Templar announced that only four states did not show a loss in membership for the year ending November 30, 1984. Two of the four states were North Carolina and Florida. Those two states had distributed many more copies of the York Rite Handbook to their grass-roots members than had any of the York Rite Bodies of the other 48 states. This evidences two things. First, the distribution of this educational material would not have happened if their leaders had not made it happen.

And, second, the fact that the members had received that material which explained the background history, the degrees, the present programs and the charitable objectives of the Rite, made them more knowledgeable members so that they were in a better position to go out and secure new members, *which they did!*

Let us now resolve that we will do our individual part to lead and educate our less informed brethren so that they may be better enabled to join with us to assure that the light of Freemasonry shall never be extinguished, that we may go forward into the 21st century, strong, and unafraid, as the champion of an ever freer, nobler, and happier humanity.

The Grand Master declared, "So let it be written—so let it be heard—so let it be done!"

PRESENTATION OF JOSEPH MONTFORT MEDALS

(Docket No. 27)

The Grand Master presented Joseph Montfort Medals for distinguished service to Masonry to the following brethren:

ALLEN COLEND A

You have been "lost" for years and years amid piles and piles of paper and print. Why? To teach young people a viable trade; to do printing for lodges, for Grand Lodge, for York Rite, for the Order of Eastern Star; and only you and those in the print shop know for whom else. For your patience and tolerance and incredible demands and deadlines, for true service rendered, you are highly deserving of the highest honor given by the Grand Lodge for meritorious service: the Joseph Montfort Medal.

FRED SPEIDEL

For years and years, in your own inimitable style, you have worked in the various Masonic quarries: in Blue Lodge, in Grand Lodge, in appendant bodies. You have written articles, speeches, and books. In 1976, you put together a beautifully intricate and patriotic Masonic display for the nation's bicentennial celebration in Philadelphia, Pennsylvania. The Grand Lodge of North Carolina was proud to be so very professionally represented. Your faithful and dedicated labors cause you to be very deserving of the highest honor given by the Grand Lodge for meritorious service: the Joseph Montfort Medal.

EDDIE STILES

To make a list of your Masonic accomplishments and honors, all indicative of your valid and valuable involvement in Masonry, would take more time than we have for this session of Grand Lodge. What you have done, you have always done well and so very unselfishly: for Blue Lodge, for Grand Lodge, for appendant bodies, and for the Order of DeMolay. There are hundreds of very deserving Masons in this grand jurisdiction. You are among the most deserving Masons in this grand

jurisdiction. You are among the most deserving of the highest honor given by the Grand Lodge for meritorious service: the Joseph Montfort Medal.

CALLED FROM LABOR TO REFRESHMENT

The minutes were read by the Grand Secretary and approved. Prayer was offered by W. : Brother John K. Canupp, Grand Chaplain, and the Grand Lodge was called from Labor to Refreshment until 1:30 P.M. on Tuesday, April 16, 1985, in Memorial Auditorium, Raleigh, North Carolina.

FIRST DAY—AFTERNOON SESSION

The Grand Lodge was called to Order by M. : W. : Brother I. Boyd Hopkins, Grand Master, at 1:30 P.M. in Memorial Auditorium, Raleigh, North Carolina, on Tuesday, April 16, 1985. Brother John Verdery then presented the State Master Councilor of the Order of DeMolay, Steve Walston, who gave the following address:

To the Most Worshipful Grand Lodge of North Carolina:

I would like to thank Dad Verdery for that in-depth introduction.

Most Worshipful Grand Master, Distinguished Guests and Friends:

On behalf of the North Carolina DeMolay Association, I would like to extend to you my warmest greetings and best wishes for a successful Grand Lodge meeting. I am sure Most Worshipful Grand Master Hopkins gave you a very prosperous year this year. To begin with I will give you a brief description of the Order of DeMolay. It is a youth organization for boys between the ages of 13 and 21 which helps develop the character of a young man by emphasizing the importance of finding one's values, setting goals and developing leadership qualities to prepare him for the duties and responsibilities as an adult citizen of the community.

I'm sure that most of you have heard most of these purposes before, because they are purposes which you have set before us. Since there are so many similarities between DeMolay and Masonry, it is easy to see why so many DeMolay Chapters are successful because they are associated closely with the lodges in their hometown.

If it weren't for the many Masonic Lodges across the state, many DeMolay Chapters would have a hard time conducting any type of social, Masonic and fund-raising activity, and would probably lose a lot to all of their memberships.

So I would like to thank those Masonic Lodges who are helping our DeMolay Chapters.

I feel that both the lodges and chapters can benefit greatly through this joint cooperation because each can help the other with their various activities. When time and experience is shared then progress and prosperity can only multiply.

As an example of the importance of sharing the experiences and discoveries we make with one another, I would like to read you a poem from Helen Keller who received much assistance from many people in her community and in return even though handicapped, helped a lot of people. She wrote:

*"Anyone who out of the goodness of his heart
Speaks a helpful word, gives a cheering smile,
Or smooths over a rough place in another path,
Knows the delightful feeling
That is so intimate a part of himself
That he lives by it.*

*"The joy of surmounting obstacles,
Which once seemed unremovable,
Pushes the frontier of accomplishment further.
What joy is there liken unto it?"*

I can see how these inspirational words can be applied to the relationship between Masonry and DeMolay. I hope that this will continue between the two organizations in the future, and even grow stronger.

Before I leave I would like to thank you again for allowing me to speak with you. Thank you.

REPORT OF THE COMMITTEE ON NECROLOGY

(Docket No. 28)

The following report of the Committee on Necrology was delivered by W.Brother Robert M. Bird, Chairman, and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

"I heard a voice from heaven saying unto me, write; bless are the dead who die in the Lord. Even so, saith the Spirit for they rest from their labours."

Since the last Communication of this Grand Lodge several hundred of our fraternity have heard, and have answered, the final summons of the Supreme Judge. To some, their summons was preceded by forced, prolonged inactivity, pain, mental and emotional and physical disability. To others, their summons came with a shocking suddenness—unannounced. All these have been "translated," so reads our Masonic language, "from this imperfect to that all-perfect, glorious and celestial Lodge above." The word "translated" is derived from a Latin verb meaning "to bear across," "to carry over," or, "to bear through." "Yea, though I walk through the valley of the shadow of death." "Swing low sweet chariot coming for to carry me home."

We have had one Grand Lodge Officer of this Grand Lodge to die during this year, Wilton F. Walker, Jr., Grand Marshal. The eulogy will be delivered by W.Brother Reynold S. Davenport, Past Master.

WILTON FEREBEE WALKER, JR.

November 7, 1924-February 5, 1985

Wilton Ferebee Walker, Jr., Grand Marshal, answered not the call for this annual communication of the Grand Lodge. As faithful a Mason as he was, and he was indeed most faithful, his greater faith lay in the Grand Lodge above, where our Supreme Grand Master presides, and on February 5, 1985 he readily and willingly answered the call to that Celestial Grand Lodge. He has gone there as all good Masons before have gone, and he awaits there the coming of the worthy brothers he left behind.

Wilton was born November 7, 1924 to Wilton F. Walker, Sr. and Katie Bell Flora Walker in Currituck County, in the northeast corner of North Carolina. He attended and graduated from the public schools there. Defective vision prevented him from serving in the armed forces during World War II, and he served instead in the defense effort on the home front. He attended Louisburg College at Louisburg, the University of North Carolina at Chapel Hill, and Wake Forest School of Law, taking his LLB degree in 1951.

Brother Walker had a distinguished career in the practice of law serving as county attorney, as school board attorney, as district court prosecutor, and as district court judge. During the remaining years he headed a law firm in the private practice of law at Currituck.

Wilton spent forty-eight of his sixty years in the service of Providence Baptist Church at Shawboro. During those years he was at various times church clerk, Sunday School teacher, a deacon, a trustee, and he also served on

committees of the Chowan Baptist Association. During recent years Wilton and Margaret, his wife, became interested in the work being done by the Christian Broadcasting Network at Virginia Beach, Virginia, and they both served as volunteer counselors for that organization. He was a strong booster of the Gideons and of the Boy Scouts of America, serving several years as Explorer advisor for the latter.

Wilton Walker became a Master Mason just three weeks following his thirtieth birthday, and he was from that time forward a devoted and valuable servant of the Masonic Fraternity. He served his lodge, Currituck No. 643, in many capacities. He filled all line offices up to and including Master. He was also active in the affairs of the First Masonic District, serving very capably a three-year term as District Deputy Grand Master. Because of his value as a Mason, he was appointed to a three-year term on the board of directors of Oxford Orphanage and it was during his service in that capacity that his worth and capabilities drew the attention of soon-to-be Grand Master Cecil Liverman, who was later to appoint him Grand Steward. Wilton was progressing steadily through the Grand Lodge line when taken by death, causing Masons on all sides to lament this loss to the Masonic Fraternity and to all mankind.

This valuable brother was also appreciated by Scottish Rite Masonry, which elevated him to Knight Commander of the Court of Honour in 1973 and to Inspector General Honorary, 33°, in 1983. He was also a member of the Shrine, actively supporting its work for Crippled and Burned Children.

Wilton Walker was a serious Christian, a serious Mason. He was serious about his family, his community and his work. But as serious as he was when seriousness was called for, he possessed the happy ability to laugh with and enjoy his brothers. He was able to join with brothers of all ranks to enjoy the wholesome pleasures of life, to share with them a momentary casting aside of the weights and cares of the day. While occupying the adjoining bed in the darkness of some hotel room, he could engage a brother in warm conversation far into the wee hours of the night; an encounter that brother would cherish in years to come. He was in all things a good and faithful brother.

Wilton is survived by his wife, Margaret, by his step-daughter, Susan Etheridge, his mother, Katie, sisters Katherine Graham, Adelaide Forman, Mildred Walker and Glenna Adcock, and his brother, Robert.

While it is with sadness that we mourn this loss to Wilton's lodge, to this Grand Lodge, and to the whole Masonic Fraternity, we can nevertheless rejoice in our firm belief that he has already received the welcome greeting, "well done, good and faithful servant."

As I scan the list of departed, thoughtfully and respectfully, *I am sobered*. Sobered because each name is the name of a loved one: It means to a wife the loss of a husband; to a child, the loss of a father; to a lodge, the loss of an esteemed brother. Families have been touched by the "sting" of death, and a sting hurts. Their departure from our midst should be a lesson to the living, teaching us to number our days and apply our hearts unto wisdom.

We are thankful for the gift of memory. We cherish their memory here. Memories of voices stilled, of faces now vanished, of dignified deportment, of counsel and advice given from this rostrum.

As we rejoice in their "translation," we ponder reverently the mystery of "that undiscovered country from whose bourne no traveler returns." Life beyond the grave holds many a profound mystery whose solution is denied to us here below, and providentially so. "We see through a glass, darkly." But today let us affirm this: These brethren have been *RAISED*—Raised, indeed, from death to life, from *dead* horizontal to a living perpendicular.

WILTON FEREBEE WALKER, JR.

Born November 7, 1924

Died February 5, 1985

Grand Marshal, 1985

"Sown in corruption, *raised* in incorruption
 "Sown in dishonor, *raised* in glory
 "Sown in weakness, *raised* in power
 "Sown a natural body, *raised* a spiritual body."

We glance briefly upward to "the land that is fairer than day," to that celestial lodge above. We watch as they stand and face the east. Row upon row, rank upon rank, how triumphant they stand! They face the Supreme Grand Master, the Master whom they served, the Master to whom they prayed, the Master and Lord by whom they are saved. How blessed are they, how happy, how content. Their faces glow. How much clearer is their vision, how much brighter is their witness, how much stronger and enduring their fellowship one with another. The gavel falls calling them from labor to refreshment. Here we best leave them in the Master's loving care. We can, thank God, follow them in our thoughts and prayers this day. We salute them and bid them await our coming. We say to them, "Hail and Farewell."

MEMORIAL PRAYER

Most Glorious God,

Author of all good and giver of all mercy, pour down Thy blessings upon and strengthen our solemn engagements with ties of sincere affection. We are truly grateful for the lives of our brethren who have labored faithfully through this mortal life, and may the present instance of mortality remind us of our approaching faith and draw attention toward Thee—the one and only refuge in time of need. That when the awful moment shall arrive—when we are about to quit this transitory scene—the enlivening prospect of Thy mercy may dispel the gloomy death. And after our departure hence in peace and in Thy favor may we be received into the everlasting kingdom to enjoy in union with the souls of our departed friends, the just rewards of a pious and virtuous life. Amen.

JOSEPH MONTFORT MEDALS

ALLEN COLEND A

You have been "lost" for years and years amid piles and piles of paper and print. Why? To teach young people a viable trade; to do printing for lodges, for Grand Lodge, for York Rite, for the Order of Eastern Star; and only you and those in the print shop know for whom else. For your patience and tolerance amid incredible demands and deadlines, for true service rendered, you are highly deserving of the highest honor given by the Grand Lodge for meritorious service: the Joseph Montfort Medal.

FRED SPEIDEL

For years and years, in your own inimitable style, you have worked in the various Masonic quarries: in Blue Lodge, in Grand Lodge, in appendant bodies. You have written articles, speeches, and books. In 1976, you put together a beautifully intricate and patriotic Masonic display for the nation's bicentennial celebration in Philadelphia, Pennsylvania. The Grand Lodge of North Carolina was proud to be so very professionally represented. Your faithful and dedicated labors cause you to be very deserving of the highest honor given by the Grand Lodge for meritorious service: the Joseph Montfort Medal.

EDDIE STILES

To make a list of your Masonic accomplishments and honors, all indicative of your valid and valuable involvement in Masonry, would take more time than we have for this session of Grand Lodge. What you have done, you have always done well and so very unselfishly: for Blue Lodge, for Grand Lodge, for appendant bodies, and for the Order of DeMolay. There are hundreds of very deserving Masons in this grand jurisdiction. You are among the most deserving of the highest honor given by the Grand Lodge for meritorious service: the Joseph Montfort Medal.

DISABILITIES

During the year, twenty-six physical disabilities were approved and none were disapproved.

In each case, a District Deputy Grand Master made a personal investigation, and I wish to commend each of them for the efficient manner in which they handled these investigations.

DISPENSATIONS GRANTED

At the time this report was being prepared, the following dispensations had been issued:

Nine dispensations were granted to elect officers, and fill lodge vacancies created by death or resignation.

Five dispensations were granted for visitation with subordinate lodges in other Grand Jurisdictions.

Twelve dispensations were granted to hold meetings other than at the regular meeting place.

One dispensation was granted to hold a meeting while the charter was being refurbished.

Three dispensations were granted for lodges to re-ballot on petitions and/or applications.

ORDER NO. 1

It has been brought to my attention by the Grand Secretary's office that Selma Lodge No. 320 elected Brother Robert Sylvester Mitchell to member-

ship on April 17, 1984, without twenty-eight days having elapsed before said Application for Affiliation was received by the lodge.

The Application for Affiliation of Brother Robert Sylvester Mitchell was received on April 3, 1984; the ballot taken on April 17, 1984, to elect Brother Mitchell to membership is clearly illegal under the positive language of Regulation 76-01 of THE CODE and is, therefore, NULL and VOID.

Since the Grand Master is empowered to order another ballot in cases of this kind, I hereby order a rebalot to Selma Lodge No. 320 at the stated communication to be held on May 15, 1984.

This Order shall be read to the lodge at the stated communication to be held on May 1, 1984, entered on the minutes of that communication and a proper notation made on the margin of the minutes for the stated communication at which the illegal ballot was taken (April 17, 1984) referring to this Order and the date it was recorded in the minutes.

Given under my hand and seal at Mount Airy, North Carolina, this 25th day of April, 1984.

ORDER NO. 2

It has been brought to my attention that your lodge elected Marcus Russell Bostian to receive the degrees on August 2, 1984, upon a Petition for the Degrees dated March 20, 1980 and certified by the Grand Secretary on March 24, 1980.

The ballot taken to elect Mr. Bostian to receive the degrees on August 2, 1984, is illegal under the language of Regulation 76-02 of THE CODE, and is therefore, VOID. A new Petition for the Degrees must be submitted by Mr. Bostian; said petition must be received by the lodge, and said petition must be referred to a Committee of Investigation. The said petition must be certified by the Grand Secretary and returned to your lodge before another ballot can be taken on Mr. Bostian.

The records in the office of the Grand Secretary and of your lodge shall be made to conform to this order and the subsequent action by your lodge.

ORDER NO. 3

It has been brought to my attention by the Grand Secretary that Catawba Lodge No. 248 elected David Allen Dellinger to receive the degrees on October 9, 1984 and conferred the First Degree on him on the same night on which he was elected to receive the degrees. Since the initiation of Brother Dellinger on the same night on which he was elected is a clear violation of Regulation 79-30(1) of THE CODE, it is therefore ORDERED:

1. That Catawba Lodge No. 248 heal Entered Apprentice Dellinger at the first stated communication following the receipt of this Order, as provided in Regulation 94-05. It shall be sufficient only to re-obligate this candidate in the First Degree, in a lodge opened on that degree, and after the candidates has been thus healed, he may be advanced when prepared as required in Regulation 80-01.
2. This Order shall be read in the lodge at the first stated communication following its receipt, and it shall be made a part of the minutes of that meeting.
3. The lodge Secretary shall report to the Grand Secretary within five days after the healing of this candidate that this Order has been complied with.

Given under my hand and seal this seventeenth day of October, 1984, at Mount Airy, North Carolina.

ORDER NO. 4

Having carefully reviewed your APPEAL relative to your suspension as Senior Deacon of Joppa Lodge No. 530, A. F. & A. M., for "failure to comply with the summons" to a meeting by your lodge Master Wor. Bro. W. M. Grass, Jr., I have come to the following conclusion:

Your appeal, the attached documents to that appeal, and the clear and positive language of THE CODE, Reg. 92-01 and 94-10, leave me no alternative but to declare that a "Legal Summons" was not issued.

Therefore, I order your suspension from the office of Senior Deacon of Joppa Lodge No. 530, A. F. & A. M., to be NULL and VOID; and you are hereby restored to that office as of this date, November 20, 1984.

Given under my hand and seal at Mount Airy, North Carolina, this 20th day of November, 1984.

ORDER NO. 5

It has been brought to my attention that Eureka Lodge No. 283 elected Brother Casey Wayne Karriker to membership without complying with the following provisions of Regulation 83-22 of THE CODE.

1. The Application for Affiliation was balloted on and Brother Karriker was elected to membership at your stated communication on December 17, 1984; without the application having first been read and received at a prior stated communication and held over for the required 28 days.
2. The Application for Affiliation was not sent to the Grand Secretary for checking and recording and received by you duly certified by him before the ballot was taken to elect Brother Karriker.

The ballot taken on December 17, 1984 to elect Brother Casey Wayne Karriker is clearly illegal under the positive language of Regulation 76-01 of THE CODE and is, therefore, NULL and VOID, and your lodge must start all over again in the matter.

The Order shall be read to the lodge at the next stated communication, entered on the minutes of that communication and a proper notation made on the margin of the minutes for December 17, 1984, referring to this Order and the date it was recorded in the minutes.

Given under my hand and seal at Mount Airy, North Carolina, this 20th day of December, 1984.

ORDER NO. 6

It has come to my attention that your lodge has sent a letter to other lodges in the state soliciting funds (donations) for the purpose of constructing a new Masonic Temple.

The soliciting of funds from lodges in North Carolina is in violation of Regulations 95-08, 95-09, 95-10 and 95-11 of THE CODE. Regulation 95-10, sub-section 3 of THE CODE especially speaks to your situation. I, therefore, order the following:

1. That your lodge issue another letter stating that your previous letter dated February 18, 1985, was in violation of THE CODE and that each and every lodge should disregard your appeal for donations. A copy of this letter shall be furnished the Grand Secretary.
2. That any monies received from other lodges be returned immediately with a letter of explanation as to why the money cannot be accepted.

This Order shall be read at the next stated communication of your lodge following its receipt and shall be made a part of the minutes of said stated communication.

Given under my hand and seal at Mount Airy, North Carolina, this twenty-fifth day of February, 1985.

OFFICIAL OPINION TERRITORIAL JURISDICTION

Relative to your letter which I received on August 18, 1984:

According to my understanding and interpretation of THE CODE, 47-06.3 and 47-06.4, Brother Wilbert L. Thornton could have petitioned either Hiram Lodge No. 98 or Newport Lodge No. 706, as far as the legal jurisdiction is concerned. I hereby so rule.

Relative to Brother Wilbert L. Thornton's qualifications to become a Master Mason:

Once a man becomes an Entered Apprentice, the only ways he cannot proceed with the other two degrees are for him to decide himself to go no further, for his six-month time limit to learn his catechism to lapse, or for charges of Masonic misconduct to be preferred and a Masonic trial to be held to prove his innocence or guilt: THE CODE, 81-03 and 81-04.

It now rests with Hiram Lodge No. 98 to handle the matter as they think best, keeping in mind "the good of the Order."

APPEAL, ORDERS AND REPRIMAND

As a member and secretary of Masters Lodge No. 754 I wish to "APPEAL" an action taken by Masters Lodge and recorded in the minutes of the stated communication held on October 18, 1984. I have attached a copy of those minutes for your information.

The action taken was the recording in those minutes the names of the two brethren who signed a Masonic complaint against Brother J.E.B., and the names of the three brethren who testified against Brother B. at his Masonic trial.

Regulation 99-14(3) and Regulation 103-14(3), in my opinion, clearly states exactly what shall be recorded, and when it shall be recorded in regard to a complaint and the decision rendered in a Masonic trial. I believe Regulation 103-14(1) speaks to the confidentiality of a Masonic trial and would substantiate why only certain information should be recorded as specified in the two previous mentioned regulations.

This same matter had been previously discussed at our September 1984, stated communication.

I went to the Grand Lodge office and talked with the Grand Secretary, Brother Pete Dudley, after the September stated communication, about what should or should not be recorded. It was his opinion that only the statements Regulation 99-14(3) and 103-14(3) specified should be recorded.

At the October stated communication, I relayed this information to the lodge, and I also read to the lodge Regulation 103-14(3). After further discussion, and even the apparent approval of the District Deputy Grand Master of the Twenty-Fifth District, the Master requested a motion to include these names in the minutes.

Grand Master, it is very clear that the Master, Brother J.E.B., instigated and encouraged this official action by the lodge. By his own action, he willfully and flagrantly violated, encouraged, and permitted violations of THE CODE. The charge at the installation of the Master and Regulation 67-10(7), not only charges, but demands that he takes care to see that the laws are not violated. His continuing to preside over matters that he had a "personal" interest in, clearly demonstrates the lengths he will go to to control the lodge and its members.

I regret the necessity of this Appeal, but I truly believe that if something isn't done, Masters Lodge will amount to nothing more than a lodge in name only.

I trust you will render a decision in the near future.

(Extract from the minutes of the stated communication of Masters Lodge No. 754 held on October 18, 1984, referred to in this Appeal.)

"After a discussion of whether or not we could put into the minutes, the names of the accusers and those who testified against Bro. B., the Master, asked if anyone would make a motion to include these names. Bro. C.A.R., SW made a motion to include in these minutes the names of the accusers and the names of the Bros. who testified their knowledge of unmasonic conduct at the trial of Bro. J.E.B., Bro. G.D.B., JW seconded the motion. This was voted on and approved by the lodge."

ORDER A

Inasmuch as your Masonic trial was legally closed at the reading of the "Decision of the Trial Commission" at the September 20, 1984 stated communication and the recording of the verdict in the minutes of that communication; and,

Inasmuch as you reopened the case, as it were, by violating, and allowing to be violated, THE CODE, Regulations 99-14(3) and 103-14(3) at the stated communication of your lodge on October 18, 1984, and caused the same to be recorded in the minutes of that communication; and

Inasmuch as you hold the titles of Past Master, Past District Deputy Grand Master, and currently District Deputy Grand Lecturer, and having served on a Trial Commission, you cannot plead ignorance to THE CODE; and,

Inasmuch as your actions stated in paragraph two above continue to create disharmony among the members of your lodge;

BE IT KNOWN that according to Regulation 66-01 of THE CODE, and for the good of the Masonic fraternity in general and for the good of Masters Lodge No. 754 in particular, I hereby SUSPEND you from the office of Master of Masters Lodge No. 754 as of this date (December 6, 1984).

BE IT FURTHER KNOWN that you are hereby prohibited to hold any office in any lodge in the Masonic jurisdiction of North Carolina for a period of not less than two years from this date (December 6, 1984); and,

THAT, FURTHER, you are hereby SUSPENDED as District Deputy Grand Lecturer of the 25th Masonic district.

Given under my hand and seal at Mount Airy, North Carolina, the 6th day of December, 1984.

REPRIMAND

I have reviewed the minutes of the stated communication of your lodge held on October 18, 1984 and the information contained in an "Appeal" that was filed with me, pertaining to certain actions taken by your lodge, and I have come to the following conclusions:

1. The Masonic Trial of Brother J.E.B. was closed when your Lodge received the "Decision of Trial Commission," read the same at the September 20, 1984 stated communication and recorded it in the minutes of that communication as provided for in Regulation 103-14(3) of THE CODE.
2. Masters Lodge attempted to re-open the case at your October 18, 1984 stated communication by allowing further discussion and a subsequent vote on this same matter.
3. The subsequent vote was in violation of the clear and positive language of Regulation 99-14(3) and 103-14(3) of THE CODE.
4. The discussion, motion, and adoption of the motion continued to create disharmony among the members of your Lodge.

Regulation 103-14(3) specified exactly what can and must be done, when it shall be done, and even specifies the exact wording that must be recorded. Regardless of any advice given to the Lodge, Regulation 103-14(3) is not ambiguous. For the Master to request such a motion, the Senior Warden to make the motion, and the Junior Warden to second the motion and thus be a part of willfully violating this Regulation, is inexcusable.

If there was intent to properly record other pertinent information, and not personal differences, why then were not the names of those who testified on Brother B.'s behalf recorded? It appears there were feelings of personal animosities, even "private piques and quarrels."

Having carefully considered the action of the officers and members of Masters Lodge and what the records show, I hereby SEVERELY REPRIMAND Brother C.A.R., Senior Warden, and Brother G.D.B., Junior Warden, for their part in having willfully violated Regulations 99-14(3) and 103-14(3).

I cannot excuse the membership of Masters Lodge for their action at the stated communication held on October 18, 1984. It appears there was sufficient information made available to the membership through discussions and the reading in Lodge of Regulation 103-14(3) to cause you to vote against the motion that was made. Therefore, I REPRIMAND each of you for your part in this violation.

Given under my hand and seal at Mount Airy, North Carolina, the 6th day of December, 1984.

ORDER B

Concerning the removal of Wor. Bro. J.E.B. from the office of Master of Masters Lodge No. 754 for violating, and/or allowing to be violated, Reg. 103-14(3) of THE CODE of the Grand Lodge of A. F. & A. M. of North Carolina:

Whereas, the complainant, Wor. Bro. J.E.B., has respectfully requested me to reconsider my decision which was read to you on December 6, 1984; and, Whereas, the District Deputy Grand Master of District 25, Wor. Bro. P.J.O., has asked me to reconsider my decision; and,

Whereas, Wor. Bro. R.S.D., Past Master of Masters Lodge No. 754, has implored me to reconsider my decision; and,

Whereas, it has been pointed out to me that I made my decision primarily on the basis of heresay evidence, with the exception of perusing the lodge minutes of October, 1984; and that I did not consult with the accused, Wor. Bro. J.E.B., or with any other member of the lodge, or with the District Deputy Grand Master, Wor. Bro. P.J.O., who was present at the stated communications where said violation of THE CODE took place; and,

Whereas, there are conflicting interpretations of THE CODE, Reg. 99-14(3): "The Lodge shall make no further record of the case until it has been closed," and Reg. 103-14(3): "... and only the following record shall be made in the minutes of that communication;" and,

Whereas, the above named Brethren are convinced that there was no intent on the part of any member of Masters Lodge No. 754 to violate THE CODE; and,

Whereas, you as members of Masters Lodge No. 754 have received "further light in Masonry" by having had this unfortunate experience; and,

Whereas, I as Grand Master of Masons in North Carolina have no desire to be autocratic or to penalize any Brother unjustly or excessively; and,

Whereas, I have a honest appreciation for the Masonic contributions and achievements of Wor. Bro. J.E.B.; and,

Whereas, I have a sincere desire to spread among the Craft the cement of brotherly love and affection;

I hereby, according to Reg. 66-05 of THE CODE, rescind the following parts of my decision read to you on December 6, 1984:

"... prohibited to hold any office in any lodge in the Masonic jurisdiction of North Carolina for a period of not less than two year ..."

and

"... suspended as District Deputy Grand Lecturer of the Twenty-Fifth Masonic District."

Suspension of Wor. Bro. J.E.B. as Master of Masters Lodge No. 754 stands as read on December 6, 1984.

Best wishes to you that harmony may be the strength and support of your fellowship during 1985.

RECOMMENDATIONS

I recommend that we continue to support, with our usual appropriations, Oxford Orphanage, the Masonic and Eastern Star Home, the Order of DeMolay, the Order of the Rainbow Girls, the Masonic Service Association, the George Washington Masonic National Memorial Association, Conference of the Grand Masters of Masons of North America, and the South-eastern Masonic Conference.

THE GRAND MASTER'S MESSAGE TO THE CRAFT

"'A Thorn in the Flesh' ... 'The Apple of Our Eye' "

A theological intellectual by the name of Saul of Tarsus, later referred to as the Apostle Paul, said this: "... there was given to me a thorn in the flesh ... lest I should be exalted above measure." (2 Corinthians 12:7, KJV) In today's English Version the latter part of that quotation reads: "... to keep me from being proud."

Had I aspired to be Grand Master, I probably would have approached the office with pride "above measure." On the contrary, I came to the office of Grand Master with a great deal of trust in the abilities, talents, and expertise of many Brethren across the state who are quite capable of seeing that most any Grand Master makes it through his year. It is well that I began with that attitude; for I soon learned that there are in this grand jurisdiction those Brethren, self-appointed, who quickly and effectively create in the Grand Master an attitude of humility.

Early in the history of the human race someone spoke the phrase, "apple of his eye." Literally, it means "eyeball." Through various translations it has come to mean something held dear and to be treasured.

Putting these two phrases together—"a thorn in the flesh" ... "the apple of our eye"—makes for a creative balance, if not perfect harmony. One does not ordinarily grow thorns and apples on the same branch. Nevertheless, the truth of our fraternity is this: some of us are thorns; some of us are apples. How do I know? Because sometimes I feel like a thorn in someone's flesh, and sometimes I feel like the apple of someone's eye. When I am able to harmonize these two distinctives of my personality, I feel good about myself and good about others. The question is this: how do we make "thorns and apples" work for the good of Masonry? That is what I have tried to do as Grand Master of Masons in North Carolina. From the depth of my being I have made an honest effort to consider every Mason, "thorn" or "apple," as my Brother, whose brotherly love I hold dear and whose friendship I treasure. My Brother, you are and forever will be not "a thorn in the flesh," but "the apple of my eye!" When one is a "thorn" and the other is an "apple," we will be patient until the differences are harmonized. When the differences are harmonized, we will begin to understand that each of

us, and sometimes all of us together, is a human being with human frailties: imperfect ashlar desiring to be divested of the vices and superfluities of life. When the rough places are made plain, harmony prevails; and harmony is the strength and support of all institutions, more especially of ours. Then and only then can we and do we "work for the good of Masonry."

Therefore, I challenge you, should you see a Brother as "a thorn in the flesh," be patient and tolerant. He may become "the apple of your eye;" if not, see him as another human frailty who needs to be heard with compassion. When one listens, one usually learns. When one learns, the problem is usually solved.

The Grand Master's traditional sixty-five district meetings were anticipated to be a time when fellowship would be enjoyed, when learning would be exciting, and when dedication to Freemasonry would be renewed. I did indeed, and perhaps naively, expect the district meetings to be "A Celebration of Freemasonry in North Carolina." I have always felt that the best of Freemasonry, who we are and what we are about, should be shared with family and friends. Perhaps the idea of Masonic district meetings open to the public was somewhat premature. But one must remember that a leader must not only leave some things as they are; if he leads, he will remove the weeds, toil in new soil, and plant new seeds. He may even dare to move into the shadows of the yet unknown. At least, by faith, he runs the risk that there are different and perhaps better ways to accomplish the same results, sometimes more quickly.

Trying to analyze and determine why the poor attendance at the early district meetings made the district meetings "a thorn in the flesh," when I anticipated them to be "the apple of my eye." Perhaps my goals were unrealistic. I thought, surely, they were attainable. After all, a leader's goals need to be a little beyond the ordinary. At any rate, there is no place within the Masonic fraternity for lethargy and hostility toward change. From time immemorial Freemasonry has been designed to provide spiritual experiences that effect philosophical changes in how one perceives himself and his fellowman, in how one works by himself and how he works in conjunction with his fellowman to create within his society "a beautiful system of . . . pure morality . . . pure religion . . . brotherly love . . . exalted benevolence."

Memorizing catechisms and lectures, crossing the t's and dotting the i's, may make for perfect drama; but perfect drama that fails "to make good men better" still falls far short of its intended purpose. If one is to "encourage all that is good, kind, and charitable;" and especially if one is to "reprove all that is vicious, cruel, and oppressive;" then one must take his light out of the lodge and let it shine ever so brightly and unashamedly in the world of darkness. Freemasonry is a spiritual experience and therefore a religious experience and is subsequently of ultimate importance to the man who would become Mason. When a good man becomes a better man, so does his society.

The district meetings revealed the importance of the Masonic Family: Blue Lodge, York Rite, Scottish Rite, Shrine, DeMolay, Order of the Eastern Star, Rainbow Girls, and Job's Daughters. It was indeed a celebration, not "a thorn in the flesh," but "the apple of our eye!" I therefore challenge you to meet the Grand Master at his district meeting, to show your respect for the Grand East, if not your approval of the Grand Master's program.

"The apple of our eye" has long been Oxford Orphanage. However, for the last several years it has been "a thorn in the flesh." Several things have made it so: a too frequent change in the top leadership; year-to-year deficit spending: over \$800,000 from 1979-1983; misunderstanding of the authority of the Board of Directors and of the Board's relationship to the Grand Lodge; and strongly felt differences of opinion as to which is best for the children: public school or private school.

The vast majority of children's homes across the state have discovered the wisdom of their children's attending the public school in the community.

Changing one phase of child care at a children's home is not going to annihilate the whole of the child care program. If the child care program at Oxford Orphanage is that weak, then we do not have very much about which to boast. Further, if allowing the children at Oxford Orphanage to attend the public schools will destroy Freemasonry in North Carolina, then the vast majority of the Brethren in this grand jurisdiction are not the stalwart Masons we thought; and we are far too far from Masonic maturity so necessary to saving society, not to mention redeeming and saving our fraternity.

No, Oxford Orphanage is not "a thorn in the flesh." With all the necessary changes in the administration of child care, Oxford Orphanage is now what it always has been, and shall still forever be, "the apple of our eye"—children to be held dear, an institution to be treasured.

The Masonic and Eastern Star Home, "the apple of our eye" for those senior citizens fortunate enough to live there, offers a security not likely to be equalled, both from the standpoint of room and board, and medical care. Operating the retirement home is a joint effort between the Masons and the Eastern Stars. The financial responsibility is shared with Masons at sixty percent and the Stars at forty percent. Therefore, close and clear communication between the two fraternal bodies is extremely important to the harmonious operation of the institution.

Like a husband and wife who both deposit their earned income into a joint banking account: when conflict arises, slight or serious, each becomes suspect. Who deposited how much and who spent how much? Unless communication is close and clear, serious problems could result.

So it is with the Masons and the Stars. With Masons perennially short of their sixty percent, we become suspect. Accusations are exchanged. In our defense we then view the Order of the Eastern Star as "a thorn in the flesh." I suggest to you that with increased gratitude for the innumerable and beneficial contributions of the Stars on a local lodge level and at the retirement home, close and clear communication will remain effective. When it does, not only the Masonic and Eastern Star Home, but the Order of the Eastern Star, will continue to be not "a thorn in the flesh," but "the apple of our eye," institutions to be held dear and to be treasured.

For years before 1980, the North Carolina Masonic Foundation lay dormant. Peering into the distance, Most Worshipful Brother Nelson B. Banks and the Board of General Purposes saw that the future is closer than we thought. The need for additional endowment of Oxford Orphanage and the Masonic and Eastern Star Home was indeed close at hand. The challenge of ten million dollars in ten years quickly became "the apple of our eye." For some of the Brethren, however, asking for more money is another "thorn in the flesh." Yet, asking for a mere twenty dollars a year from at least fifty thousand of nearly seventy-three thousand Masons is ridiculously simple, but apparently quite complicated financially.

Giving is the result of a charitable attitude. Hundreds of Brethren; many lodges, and several districts have caught the charitable spirit and have experienced the exciting joy of "doing for others what they would like done for them" under similar circumstances. If a little child desperate for substitute parents and a family, if an aging mother or dad desperate for the security of shelter, food, and medical care: if these do not charge a Brother's emotions to charity, I pity his insensitivity and his selfishness.

No, the North Carolina Masonic Foundation, like Oxford Orphanage and the Masonic and Eastern Star Home, is not "a thorn in the flesh," but "the apple of our eye," something held dear and something to be treasured. I therefore challenge you to give your two hundred dollars, and more, and you will be caring for little children and teenagers, for elderly men and women, as long as time shall last. And "great will be your reward in heaven!"

Perhaps some of the brethren in some of the lodges saw "The Standard of Masonic Excellence" as "a thorn in the flesh." It was "the apple of my eye." Every lodge needs a reasonable challenge. The challenge was there in the standard. If a lodge honestly met the criteria of the "Standard of Masonic Excellence," that lodge would indeed be a healthy lodge. Excellence in ritual guarantees impressive lodge and degree work. Excellence in education guarantees properly informed candidates and Masonically informed Brethren. Excellence in caring guarantees financial gifts to Oxford Orphanage, to the Masonic and Eastern Star Home, and to the North Carolina Masonic Foundation. Ritual, education, caring are not only the suggested mandates of a Grand Master; they are the necessary mandates of Masonry, if Freemasonry is to have a healthy survival. I therefore challenge you to strive for Masonic excellence, with or without a stated standard or a given award. Activities growing out of our Masonic obligations must not be thought of as "thorns in the flesh," but as "apples of our eye": work, true and square, to be held dear, to be treasured. Remember, the Masonic process makes good men better!

We are a Masonic Family: Blue Lodge, York Rite, Scottish Rite, Shrine, DeMolay, Order of the Eastern Star, Rainbow Girls, Job's Daughters. When all of us communicate effectively and cooperate willingly, no brother or sister, no appendant Masonic body, and no Masonic institution need be "a thorn in the flesh" of another. When we inhale the breath of our Masonic obligations, the young and the elderly are cared for, medical research continues, the blind are made to see, public education is propagated, the aphasiac and the dyslexic make progress, cripples walk, the burned are healed—and life goes on to the glory of God!

No, Freemasonry is not "a thorn in the flesh." Freemasonry is "the apple of our eye." I challenge you to keep it that way!

I want now most sincerely to thank every person, the "thorn" and the "apple," who in any way during the past twenty-seven years influenced my life for good, who tolerated my weaknesses and encouraged my strengths, who forgave my mistakes and affirmed my successes, who made me a better man and a better Mason. With my love and gratitude I bless all of you, each and everyone. Thank you so very, very much.

Respectfully submitted,

BEHOLD, HOW GOOD, HOW PLEASANT!

The psalmist of old said it bold,
 "Behold, how good, how pleasant
 When Brothers their friendship hold!"
 Ere friends of old did unity behold,
 In their breast did harmony unfold.
 'Tis well, for now we dwell
 Where once were the quarries of old.
 Behold, how good, how pleasant!
 "Like oil on the head," the psalmist said;
 "or, from the mountains the precious dew
 That falls, not on the many, but on the few."
 Behold, how good, how pleasant the friendship we hold!
 From head to toe love will flow,
 From collar to girdle to hem below,
 When Brothers meet and each other greet,
 Some slow on feet, yet, each Brother discreet.
 Behold, how bold to those of old our hearts unfold!
 No matter, the former or the latter,
 When Brother to Brother goes,
 'cause there's a need he knows.
 "Foot to foot,"—behold, how good, how pleasant!
 Spirit to spirit have we here;
 Thus harmony, unity, and friendship dear.
 So, Brother, sister, friend, no need to fear;
 For "knee to knee" has brought us near.
 Behold, how good, how pleasant!
 Dear friend, some grave concern you bear?
 Dare you share with Brother, sister, friend—ere the end?
 Take heart, no need to smart;
 For "breast to breast" will love impart.
 Behold, how good, how pleasant!
 Up Zion's hill we will our hopes to fill,
 To reach the Altar.
 E'en though we falter,
 "Hand to back" we feel.
 'Tis that of friend and Brother, no other!
 Behold, how good, how pleasant!
 "Cheek to cheek" or "mouth to ear,"
 Cordial words of forgiveness we hear.
 For this we waited, our fears abated;
 Harmony, unity, friendship mated.
 'Tis the Lord's blessing, no guessing;
 'twas mentioned afore,
 Even life for evermore!
 Said the psalmist of old,
 and he said it bold,
 "Behold, how good, how pleasant
 When Brothers their friendship hold!"

We have consulted with the Board of Directors of The North Carolina Masonic Foundation, Inc. and are happy to report that during 1984, they transferred to Oxford Orphanage the sum of \$125,000.00 and to the Masonic and Eastern Star Home, the sum of \$125,000.00 from the earnings of the Foundation. We recommend that the first \$250,000.00 of earnings in the

Foundation be divided between the Orphanage and Home on a 50-50 basis. All earnings above these amounts shall be divided on the basis of the needs of the two institutions.

We recommend that a sum not to exceed \$30,000.00, be authorized from the Special Contingency Fund to pay the following expenses for the promotion of The North Carolina Masonic Foundation:

1. The necessary expense to pay for publishing a book by Senator Sam J. Ervin, Jr. All proceeds from the sale of the book shall be transferred to The North Carolina Masonic Foundation.
2. The necessary expense of the Lapel Pins the Grand Master will present to the Masters, Wardens and members who present at least \$200.00 each to The North Carolina Masonic Foundation during this 1985 Annual Communication.
3. The necessary expense to print the new promotional literature for The North Carolina Masonic Foundation.
4. The necessary travel expense for the Coordinator and ten Area Assistants who will coordinate our fund raising program for The North Carolina Masonic Foundation.

(The Board of General Purposes at its meeting on April 15, 1985 unanimously recommended the adoption of this recommendation including all four items.)

We recommend the Charity Fund pay to the Masonic and Eastern Star Home and to the Oxford Orphanage the sum of \$10,000.00 each.

We recommend that \$10,000.00 be transferred to the Grand Lodge Bicentennial Escrow Account.

We recommend that \$20,000.00 be transferred to the Grand Lodge Special Contingency Fund.

We recommend that \$10,000.00 be transferred to the Drewry Memorial Grand Secretary's Fund.

We recommend that \$15,000.00 be transferred to the Building and Office Equipment Account.

We recommend that the Grand Secretary be authorized to expend a sum not to exceed \$10,000.00 from the Special Contingency Fund for the purchase of office equipment.

We recommend that the Committee on Permanent Building be authorized to expend a sum not to exceed \$7,500.00 from the Building and Office Equipment Account to purchase shrubbery at the Grand Lodge Office Building.

We recommend that the earned interest from the Special Contingency Fund and the Building and Office Equipment Account continue to be paid to the General Fund of the Grand Lodge.

We recommend the Grand Master have authority, when he deems it advisable for the best interest of the Grand Lodge, to suspend the allotment made to any committee, activity or agency of the Grand Lodge.

We recommend further that when it shall appear for the best interest of the Grand Lodge, the Grand Master be authorized to give authorization for the budget to be exceeded by any department, agency or office to incur out-of-ordinary expenses not herein provided for, within availability of funds.

GRAND MASTER IRA BOYD HOPKINS

Brother Ira Boyd Hopkins was raised to the Sublime Degree of Master Mason on May 21, 1957 in Albemarle Lodge No. 703, Albemarle. Although he had served as Chaplain of Catawba Valley Lodge No. 217 in Morganton, his Masonic career really began with his election to the office of Master in Elkin Lodge No. 454, Elkin in 1969.

Following his year of service to his lodge as Master, Boyd found himself engaged in a number of activities involving Grand Lodge. From 1970 to 1973 he served as District Education Chairman of the 47th Masonic District and from 1973 to 1979 he served as Chairman of the Grand Lodge Committee on Masonic Education. From 1972 to 1974 he served our Grand Lodge as Grand Chaplain and he has also served the Grand Lodge as Chairman of the Necrology Committee.

He is now a member of Renfro Lodge No. 691 in Mount Airy. The performance of his service and duty to Freemasonry has been a credit to himself and to the Craft.

For those who know Boyd, it came as no real surprise to learn that at the Annual Communication of the Grand Lodge of North Carolina in 1977, Ira Boyd Hopkins was appointed to serve as Junior Grand Steward in the Grand Lodge line. With each passing year, as he was elevated to the various stations and places as a Grand Lodge Officer, he displayed his ability to perform his duties efficiently, with responsibility and sincerity. These qualifications

proved his ability and worthiness to assume the duties of the most responsible Masonic office to which his brethren could call upon him to serve, that being the office of Grand Master of Masons in North Carolina.

On April 18, 1984 at the One Hundred Ninety-Seventh Annual Communication of the Grand Lodge of North Carolina Most Worshipful Ira Boyd Hopkins was elected and installed as Grand Master—an honor justly and richly deserved.

One year ago Brother Hopkins commented in his acceptance remarks, "Today, I stand at the meridian of my Masonic life. I never aspired to be Grand Master of Masons . . . The only aspiration I ever remember having was, and still is, to do the best I can with what I have where I am today."

Those who have been actively involved in the operation of the Grand Lodge of North Carolina know that this has not been an easy year for our Grand Master of Masons. Many situations have arisen which demanded and required thoughtful and careful consideration to ensure the best interest of our Grand Lodge and for the benefit of the Craft.

In every case he never hesitated to take a stand for that which he believed was right. In every instance he directed his efforts to accomplish the course of action upon which he had decided.

Through a program of open meetings with free discussions, our Grand Master has given us the opportunity to recapture the "Spirit of Masonry." This "Spirit of Masonry" is best described, again from his acceptance remarks, in these words:

"If we can live within the Brotherhood of Man under the Fatherhood of God; If we can spread the cement of brotherly love and affection; If we can speak and to read; If we can aid the healing of the crippled and the burned child; If we can give 'family' to the potential orphan, the widow and the aging—then we are a MASON. Let us live up to our standard of Masonic Excellence and celebrate it, without hesitation or mental reservation whatsoever!"

Brother Hopkins assumed the duties and has fulfilled the responsibilities of the office of Grand Master. Each of us has felt the "Spirit of Freemasonry" in this man and we recognize it to be good. To know Most Worshipful Ira Boyd Hopkins is to love and respect him. The Grand Lodge of North Carolina and Freemasonry in our great state is better because he served as Grand Master of Masons.

In closing we can only say, Thank you for giving yourself in service to our Noble and Gentle Craft.

Respectfully submitted,

Brother Earl, I thank you sincerely for giving me this great honor and responsibility. My promise to you and the 73,000 Masons in the Grand Jurisdiction of North Carolina is that I will work and strive to live by the promises which I have made at the Altar of Freemasonry and will expect and require that all Masons, especially those in positions of leadership, do the same.

The renowned Poet, Ralph Waldo Emerson said, "There is a time in every man's education when he arrives at the conviction that envy is ignorance; that imitation is suicide; that he must take himself for better, for worse, as his portion; that though the wide universe is full of good, no kernel of nourishing corn can come to him but through his toil bestowed on that plot of ground which is given to him to till." With this thought in mind, I call on every Grand Lodge Officer, every District Officer and every Officer of the 394 Subordinate Lodges to do whatever his appointed task may be with enthusiasm and integrity. In so doing we will promote peace and charity among all men. Freemasonry will increase in stature and in numbers. Our children at Oxford Orphanage will have greater security and opportunity and our Sisters and Brothers at the Masonic and Eastern Star Home will more fully enjoy the golden years of their lives, and we my Brethren will reap the immeasurable satisfaction of a job well done, a life well lived. So, my Brethren let's have fun, let's work with diligence that plot of ground which has been given us to till.

PAST GRAND MASTER'S JEWEL PRESENTED M.:W.:IRA BOYD HOPKINS

A Past Grand Master's Jewel was presented to M.:W.: Brother Ira Boyd Hopkins, P.G.M., by M.:W.: Brother J. Earl Watson, P.G.M.

BROTHER WATSON:

Most Worshipful Sir: I think your potential as an officer was obvious to many of those who had observed you in the past as you came up the ladder to the position which you have held for the past twelve months. I want to especially commend you for taking as your principal effort or project in your administration of the office of Grand Master, the furtherance, not only of Masonry, but also the cause of law and order in Masonry. It is a cause or a problem the solution of which, perhaps, no one man knows; but certainly the solutions of which all great men should now give of their time—you have certainly done your part.

I have no hesitation whatever in saying that in your administration of office as Grand Master of Masons of this Grand Lodge, that you fulfilled those customary connotations of the word, "Jewel." Therefore, it is indeed with deep pleasure and one of the "blue ribbon" days of my life that I am privileged to present to you the Past Grand Master's Jewel of the Grand Lodge of North Carolina. I am sure that you will wear it with continued pleasure to yourself, the Brethren and men everywhere.

Congratulations on being a fine Grand Master and may God bless you.

PETITION FOR CONCURRENT TERRITORIAL JURISDICTION

WHEREAS, Due to the rapid growth and expansion of the corporate limits of the city of Fayetteville in all directions in the County of Cumberland, the continued separated jurisdiction of the lodges in the City of Fayetteville and those located outside the corporate limits of Fayetteville, will be detrimental to and have an adverse effect on the growth of Masonry in the entire area, and

WHEREAS, The officers and members of all the lodges in Fayetteville and the surrounding area believe that the interest of Masonry in the area served by the hereinafter named six Masonic Lodges will be best served if the territorial jurisdiction of said six Masonic Lodge is changed and merged and made in all respects concurrent with each other;

NOW, THEREFORE, BE IT RESOLVED, That Phoenix Lodge No. 8, Creasy Proctor Lodge No. 679, John Huske Anderson Lodge No. 731, and Clifford Duell Lodge No. 756, each being located within the municipal boundaries of the City of Fayetteville, Cumberland County, North Carolina; Lebanon Lodge No. 391, located at Hope Mills, North Carolina; and Fort Bragg Lodge No. 667, located at Spring Lake, North Carolina; respectively petition the Grand Lodge of A. F. & A. M. in North Carolina, to grant concurrent jurisdiction to each of the six Masonic Lodges heretofore named, over all the territorial jurisdiction now held by these Lodges in Cumberland County; said territorial jurisdiction lying within the State nearer to such lodges than to another lodge in the State, the distance being measured in a direct or air line from the point in question to the lodge hall.

BE IT RESOLVED FURTHER, That it is the intent of each of the six lodges hereinbefore named to approve and adopt this resolution and petition in its entirety without change, as it is written, and that upon the failure or refusal of any one of said lodges to do so this resolution and petition shall be null, void and of no effect. [2-06(3); 38-06(4); 48-13; 72-06].
